John
Peris so much
I could say, but
I will just state simply
that you had a great effect
on my junior year. You a
true friend and don't know
a greatly and survived without
have survived without your great laugh.
The musical was the only regret I have is that
again next year, the only regret I have is that
I didn't get involved
Poppin fresh, Ann's house (and our little wrestling match) and
every other fun time in Barnum.

Donald:

You ARE OUT A LITTLE (on the bus)
just joking. She is pretty done with
just isn't she. HAVE A GOOD SUMMER, JOHN
I see you -

John,
YOU'RE A PRETTY COOL GUY AND I
like your polo pants. IT WAS GREAT
SITTING IN front of you in ANN. BIG BOO!
I must admit that you don't know
how to TALK OUT A LITTLE (on the bus)

TOO BAD. I'M SURE WE CAN'T TAKE IT
THOUGH WE CAN'T TAKE IT
SUMMER SO I'm sure SUPPOSED
WE HAVE TO GO TO SKIP ALL THE
PLUN / ANOTHER CALL STORM! THAT WAS SO
P.S. YOUR [REDACTED] IS SHOWING.

Love, Sarah

"W/ YOU" was fun even
to be black.
See you over the
B-O-L-O-G-N-

JENKINS AND danee

[REDACTED]

[REDACTED]

Johnny, Johnny, Johnny,
How I've enjoyed your company thus year. My back appreciates it too, seriously, you really made math easier for me! (and you know L.P. is pregnant?) I enjoyed the way you would read every note from and I would write! But the best was when you threw the cookie to me on how about our little new ride!!! You definitely will you this summer!
love,
Amy "Stay Free"
Barry

John,

What a year! And that's exactly what we should call it! With Christopher, Rom, Drama - good and bad, making it and not making it (or dropping), etc. Growing! isn't it? But we did it! And you've really changed! With what and whom you've opened up and shown - and that includes everything you've told me. So much has happened and it's hard to say certain things with your happiness and birthright, both of us have got things to worsen. So, we'll do that next year. OK? You're doing fine again, don't worry. Next year should be good and I hope you try out for football again (and nothing like us again). "Rom" date, see you and my family. I love you!

SMURF
WHAT CAN I SAY? THIS YEAR
WAS A MEMORABLE ONE FOR ME WITH
MANY THANKS AFTER SCHOOL AND
WE AT BIG BOY AND DEEP TALKS - YOU DO HAVE
MUCH MORE CONFIDENCE IN YOURSELF
FOR AWHILE. YOU WERE BETTING ON YOUR GOOD
QUALITIES THAT YOU SHOULD GET OUT AND LET
PEOPLE SEE SOMEONE ELSE. ANYWAY, JOHN AND I KNOW
MUST BE SOME FUN TIMES TO REMEMBER. JOHN AND I KNEW
AT RANDOM, WE PLAYA, A COUPLE OF JAYS POTATO CHIPS,
WE WILL SEE EACH OTHER THIS SUMMER CAN'T IT CAUSE IT
BAGS OF GARBAGE!! WHILE NEXT YEAR - TAKE CARE

John,
Hey, I get to sign
and Diane!! this year
was kind of strange 1) we didn't
know each other 2) we became pretty
good friends and 3) the we faded
again. I'm sure everything will
work out for the best, it always does

John Johnson

World

The year of 1982 was full of conflicts, hardship, and excitement. Israel attacked Lebanon; the Soviet Union lost its leader of eighteen years, Leonid Brezhnev. The United States saw economic troubles with high unemployment rates being the most difficult problem. The computer became an even more active part in American lives. A video game craze swept the U.S. Locally, Milwaukee came alive when the Brewers played in their first World Series.

The pages which follow give a brief view of some of the events which made 1982 an interesting year.

President Reagan's cabinet saw a major change. Secretary of State Alexander Haig resigned because of conflicting personalities within the Reagan administration. Disagreements with Jean Kirkpatrick, the U.S. representative to the United Nations and Defense Secretary Casper Weinberger were factors which helped lead the Haig's resignation. Reagan appointed George Schultz to Haig's former position.

On November 10, 1982, Soviet Union President Leonid

Brezhnev died. The official word of his death was withheld 26 hours, apparently to give the Kremlin time to discuss potential successors. Brezhnev's death, unlike that of Joseph Stalin's, had no impact on the rhythm of Moscow life. The Kremlin declared a four day period of mourning to be followed by a state funeral on November 15, 1982, in Red Square. Taking over Brezhnev's position was Yuri Andropov. He had headed the nation's KGB for 15 years until last year when he became the Secretariat for the Communist Party.

A "fairy tale" came to a very tragic end this year. Princess Grace of Monaco, a former American film star, died of a stroke she suffered while driving down a mountain by-pass.

On October 18, 1982, Bess Truman died at the age of 97. She was the wife of former President Harry S. Truman.

Some famous entertainers that died this past year were John Belushi, Ingrid Bergman, Karen Carpenter, Henry Fonda and Paul Lynde.

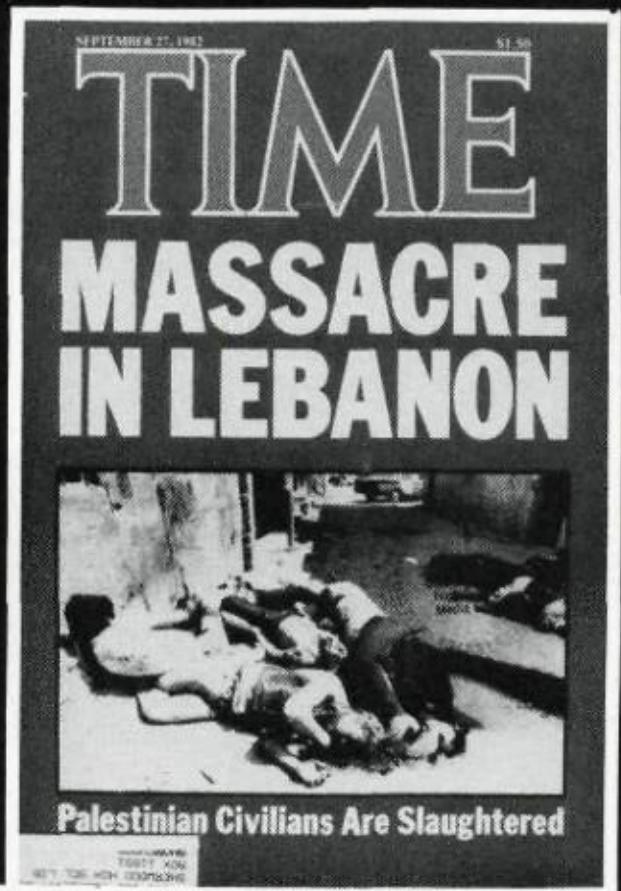

Israel's invasion of West Beirut, Lebanon, on June 6, 1982,

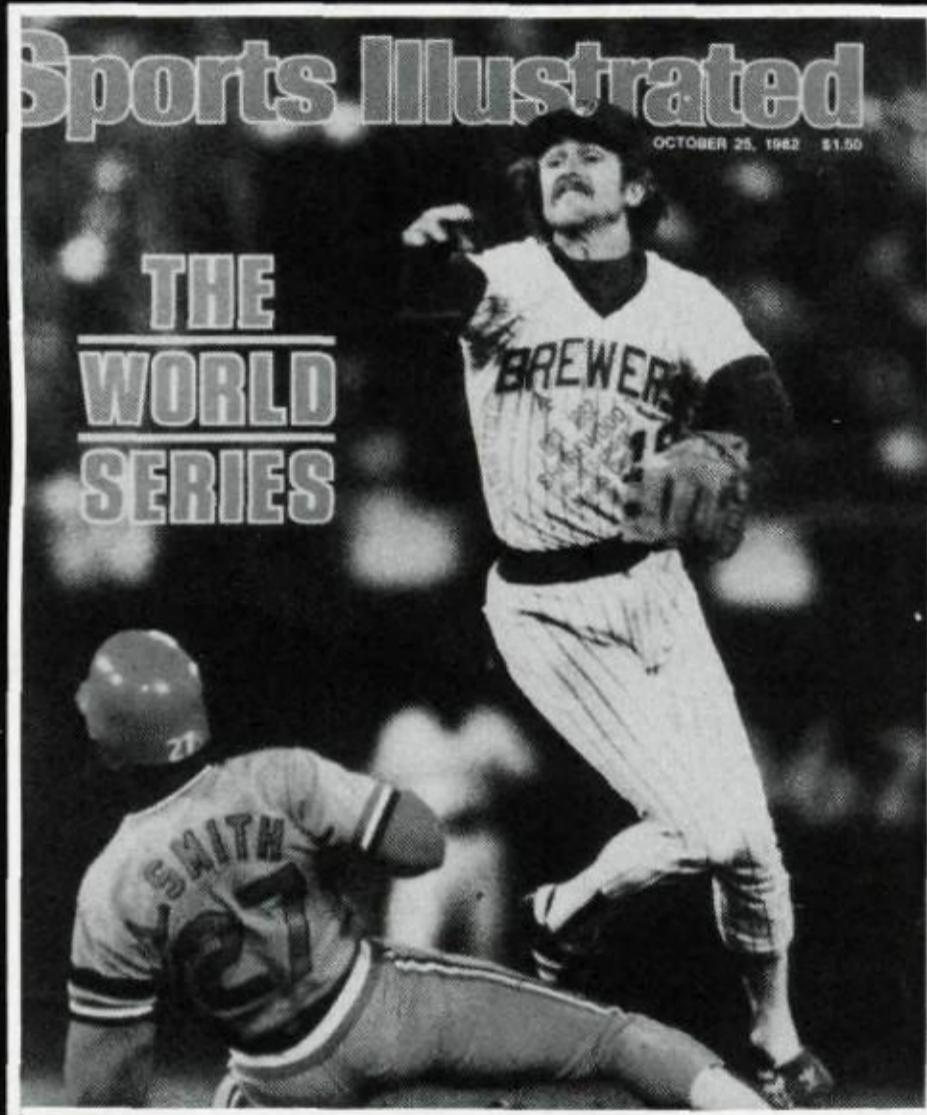

Continued on Page 15

angered much of the world. This invasion came after U.S. Special Envoy Philip Habib was on the verge of agreement with the Palestine Liberation Organization to evacuate Lebanon. The United States saw this action as a direct violation of a promise made to Habib. The U.S. Marines, along with troops from France and Italy, went to Lebanon as a peace-keeping force.

Later in Lebanon, a group of armed men opened fire at the Sabra and Shatilla refugee camp. These men then bulldozed the bodies into makeshift graves. Three days after this massacre, an explosion in the headquarters of Gemayel's Christian Phalange Party in East Beirut resulted in the death of Lebanon's President-Elect, Bashir Gemayel.

In February of 1983, an inquiry into the massacre by Israel resulted in the demand for the resignation of Israel's Defense Minister Sharon. Sharon resigned from his post, yet he did remain in the cabinet. Arens, a former Israeli ambassador to the U.S. took over the position.

In October the Brewers stirred up quite a bit of excitement in Milwaukee. They were able to squeak out an American League East Title by defeating Baltimore in the final game of the regular season. Despite a two game deficit in a five game series, the Brewers came back and defeated the California Angels for the American League Pennant. For the first time ever the Brewers played in the World Series. Unfortunately Milwaukee fell to the St. Louis Cardinals, losing the last two games of the seven game series. Even though the Brewers were not the World Champions, the return of a World Series to Milwaukee was a great event.

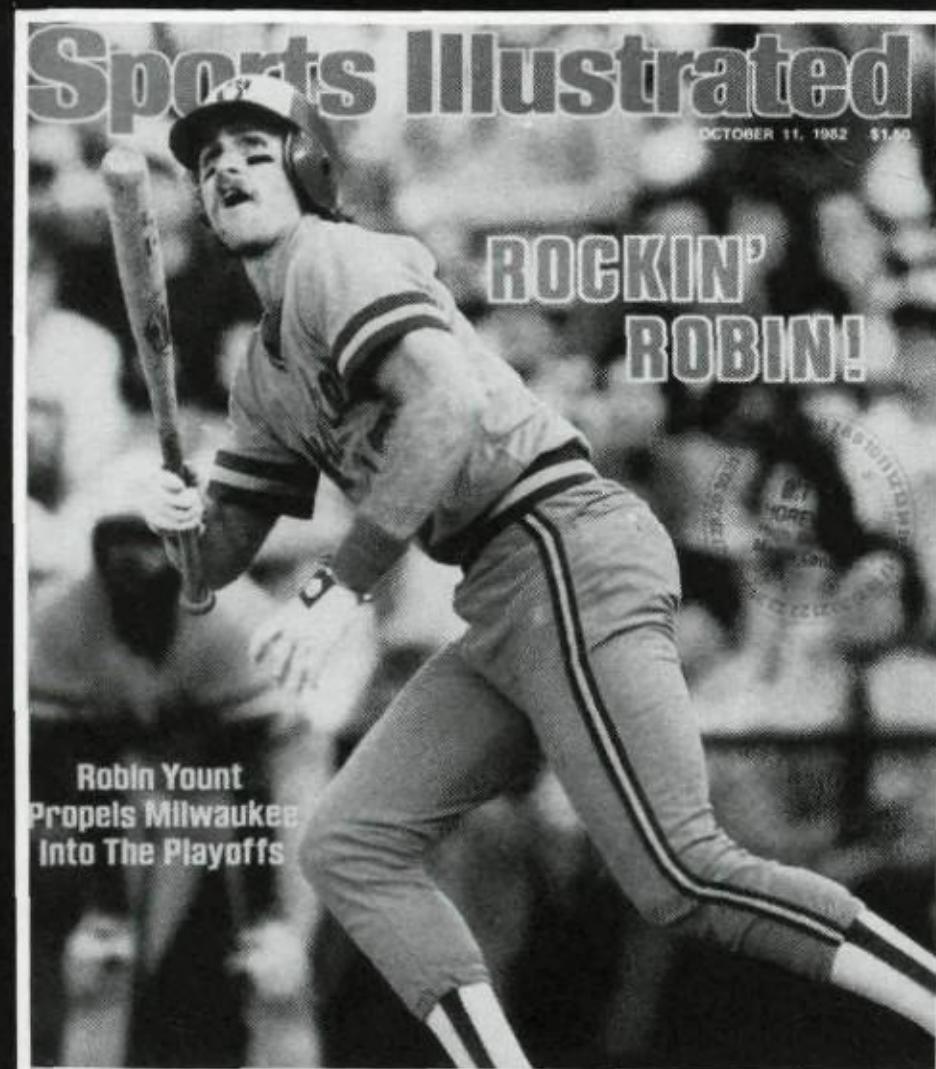

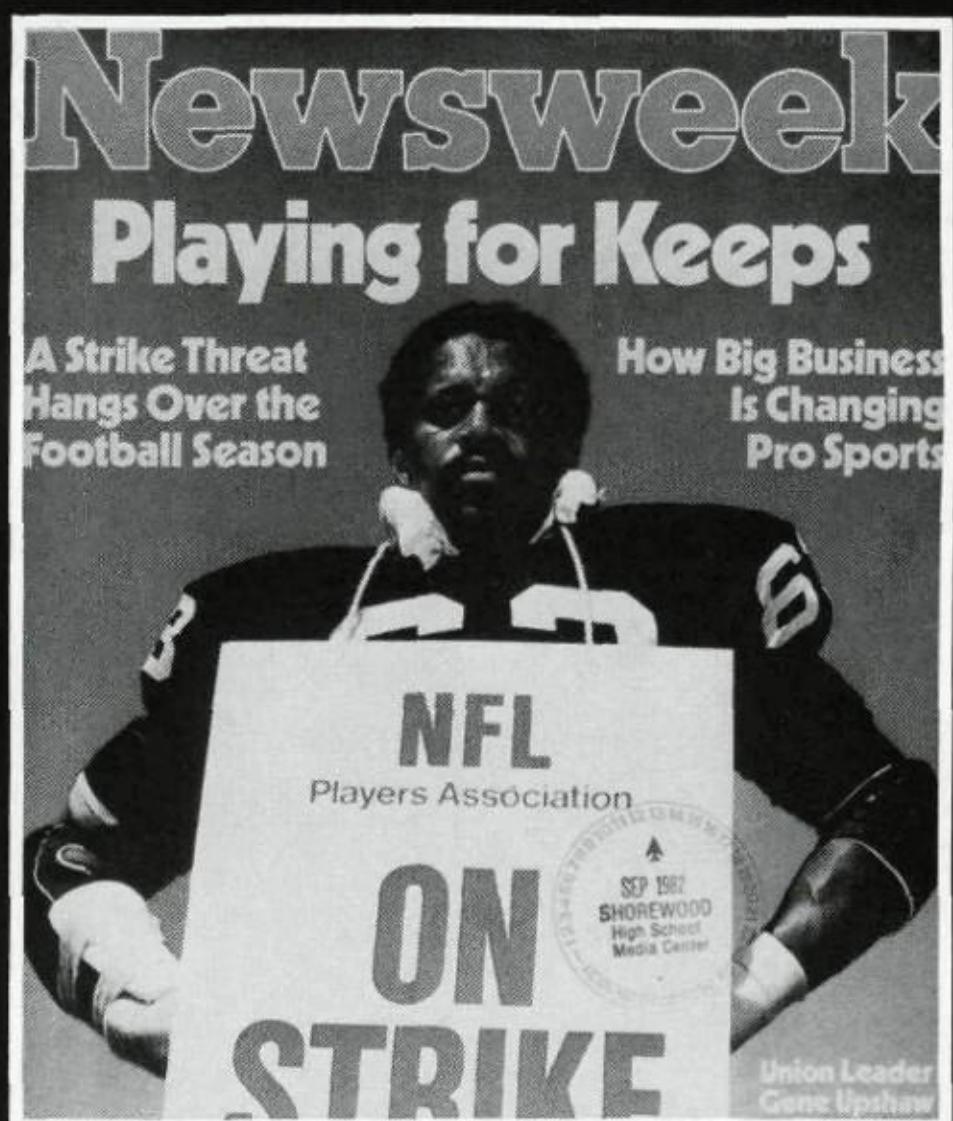

In Wimbledon, Jimmy Connors and Martina Navratilova were the 1982 winners. Connors outlasted opponent John McEnroe in a close five set match. Chris Evert Lloyd was defeated for the Women's title by Navratilova. Two months later in the U.S. Open, Navratilova was upset in the quaterfinals, yet still ended the year with the number one world ranking and accumulated over one million dollars, the most money ever earned by a female athlete. Connors once again proved himself by defeating Ivan Lendl. This was the first time since 1974 that he had won two major titles in the same year.

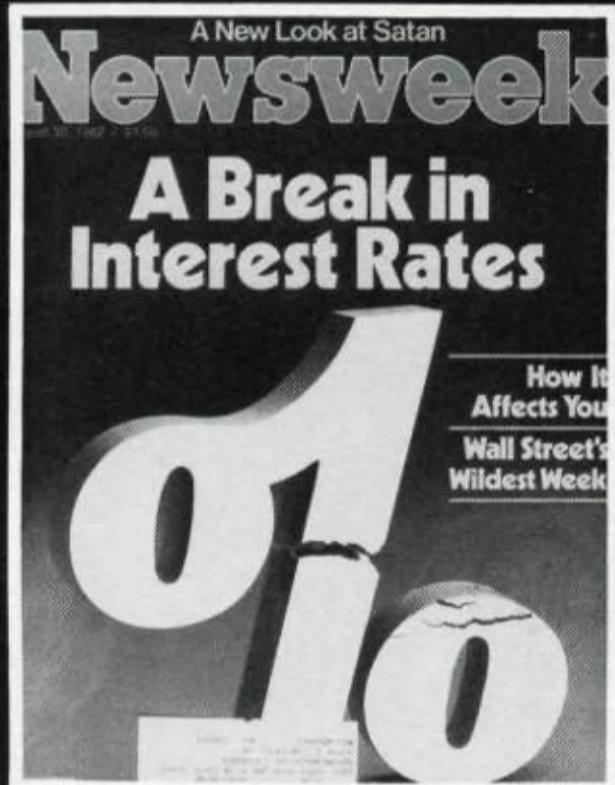

For eight weeks during the fall, the United States was without professional football. During this period the NFL demonstrated the longest strike in the history of the NFL. After much negotiating, the union and the owners came up with a contract that gave the players some respectable gains. In the agreement the following things were changed: the wage scale, the severance pay, the right to bargain individual contracts and the right to reject unfit agents.

As a result of the strike, the official NFL season was shortened. The Green Bay Packers managed to finish in a respectable third place in the National Football Conference, qualifying for post-season play. In the first round of the playoffs, they defeated the St. Louis Cardinals then ended their season by losing to the Dallas Cowboys.

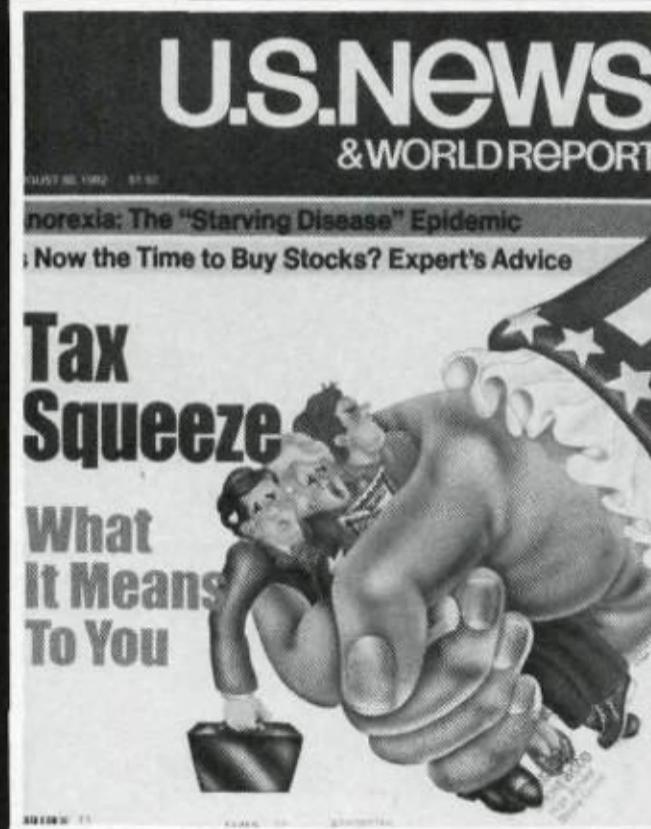

Throughout the Bucks' season the team was stricken with many prolonged injuries. The loss of players such as Bob Lanier, Dave Cowens and Brian Winters forced the team to depend upon Marques Johnson, Sidney Moncrief and its bench to pull off its victories. Despite their problems, the Bucks were able to win the Central Division and enter post-season play.

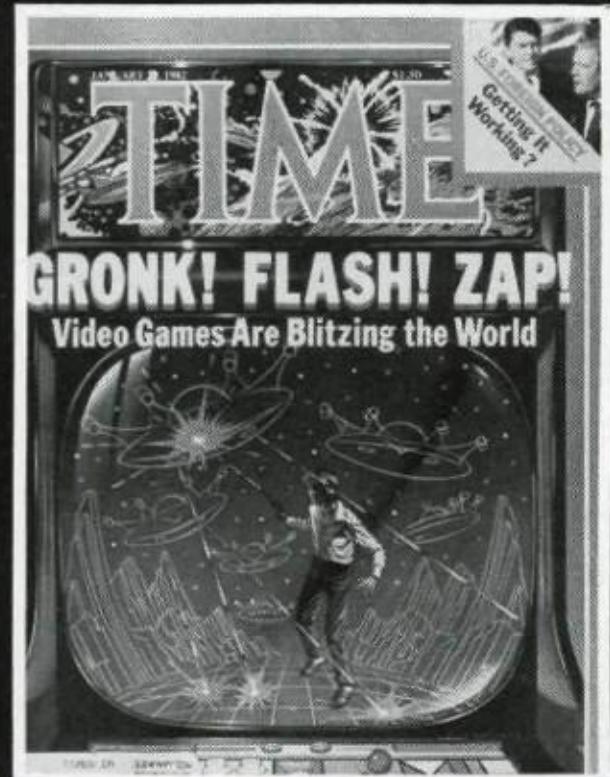

In 1982 the biggest tax cut in history was passed. A 10% individual income tax was phased over a three year period. As a result the government was faced with a deficit that could be over 450 billion dollars by the year 1985.

At the highest point since World War II, the 10.8% jobless rate had Americans terribly concerned. The realization that this rate was not going to go down caused the government to act with some necessary programs. The most major of these was President Reagan's signing of a five cent per gallon increase on gasoline. It would be used to finance the repair of the nation's highways, bridges, and urban mass transit systems and incidentally create over an estimated 320,000 jobs. Two other proposals that were being seriously discussed were a subminimum wage for youth and tax credits for employers who hire the chronically jobless.

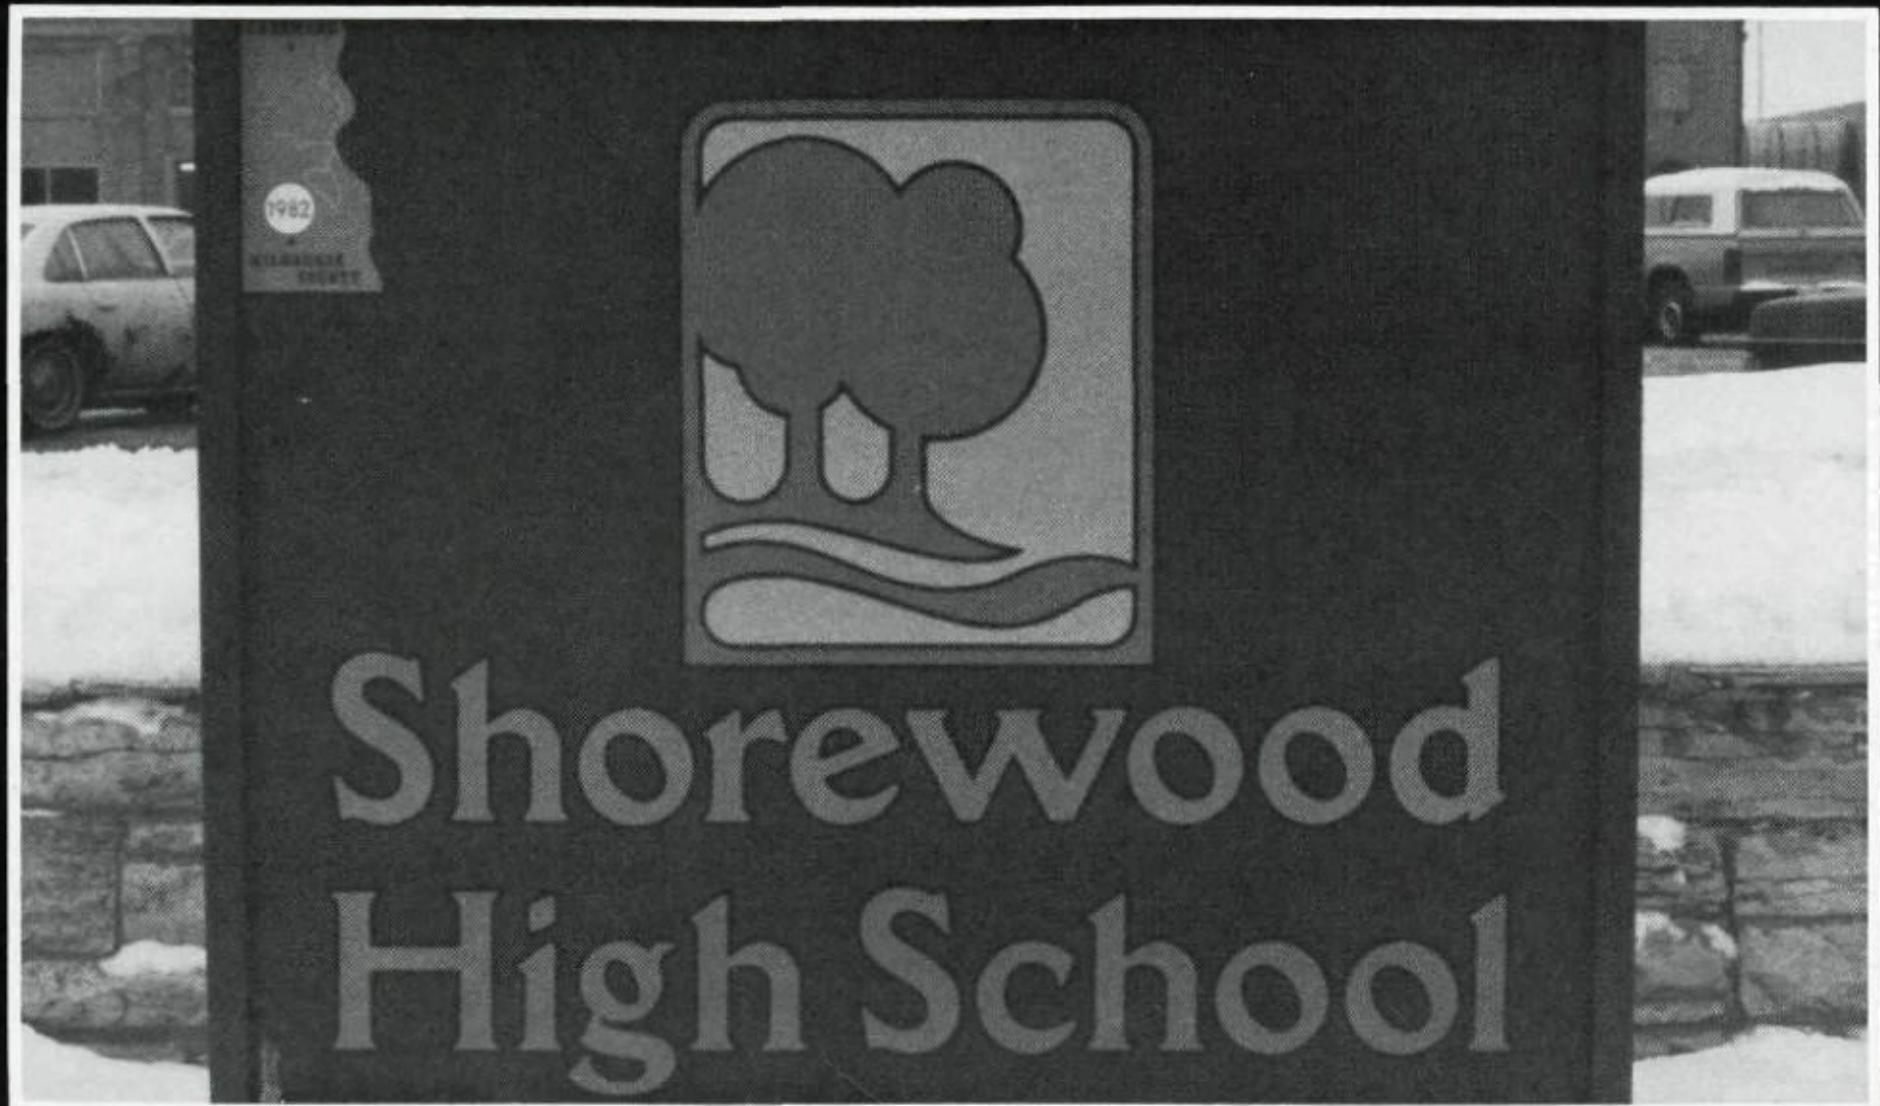

In 1982 the longest recession since the depression staggered on. Yet the constant decline of interest rates was one strong sign that gave many hope of ending this poor economic period. Since July of 1982 the prime lending rate declined from 16.8% to 11.5%. The main thrust behind this was lead by the Federal Reserve Board and its chairman, Mr. Paul Volker. They slashed the discount rate from 12% to 9% which in turn lowered the interest rate that banks charge their customers. The Board hoped that this would feed the economy and get it back on its feet.

In early October seven Chicago residents died from Extra Strength Tylenol capsules laced with cyanide. Johnson and Johnson recalled 264,400 bottles of medication nationwide and warned Americans not to take Tylenol capsules until the mystery was solved. It was later discovered by investigators that the pills were deliberately poisoned after they had left the plant.

Shorewood High School

The world was invaded by video games in 1982. Millions of youngsters and even adults got hooked on games such as Pac-Man and spent endless hours attempting to post high scores. It was estimated that over 20 billion quarters poured into the arcade monsters. More and more homes became equipped with their own video system and accumulated numerous cartridges for their own non-stop entertainment.

The computer made a definite impact on the American life style this past year. Its price dropped dramatically since its first production, making computers feasible for many small businesses and families. Due to the computer, many were able to complete office work within their homes. The popularity of the computer can be seen when one looks at the increase of the machine's use in the U.S. schools during the past year. Statistics show that 100,000 computers were used in schools throughout the U.S. in 1982, compared to the 1981 figure of 52,000.

Our own Shorewood High School made world history when it was named a historical landmark of Milwaukee. It was chosen because of its unusual architectural style and unique high school campus arrangement. It was also noted that the buildings were still being used for their original educational purpose.

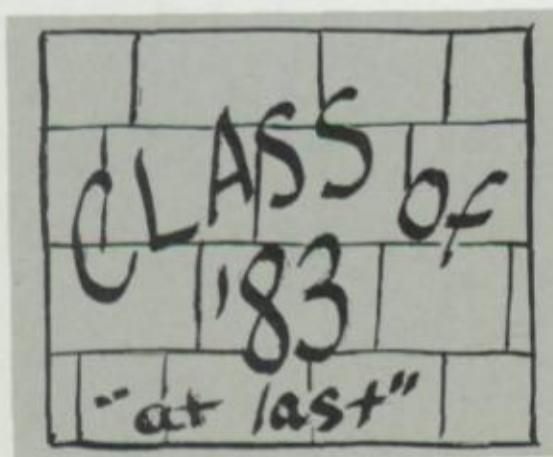

THE OFFICIAL HISTORICAL landmark seal distinguishes Shorewood High School's special campus.

Seniors

The final year of high school seems to be looked forward to the most. For some, senior year was a time to be considered an adult. Choices had to be made such as, "What am I going to do for the rest of my life?" For many, decisions had to be made about what college they should attend. Much of the fall and winter year was spent filling out applications, getting recommendations, writing essays, and waiting for the notices of acceptance or rejection. For others, senior year was spent finding work and preparing themselves for the outside world.

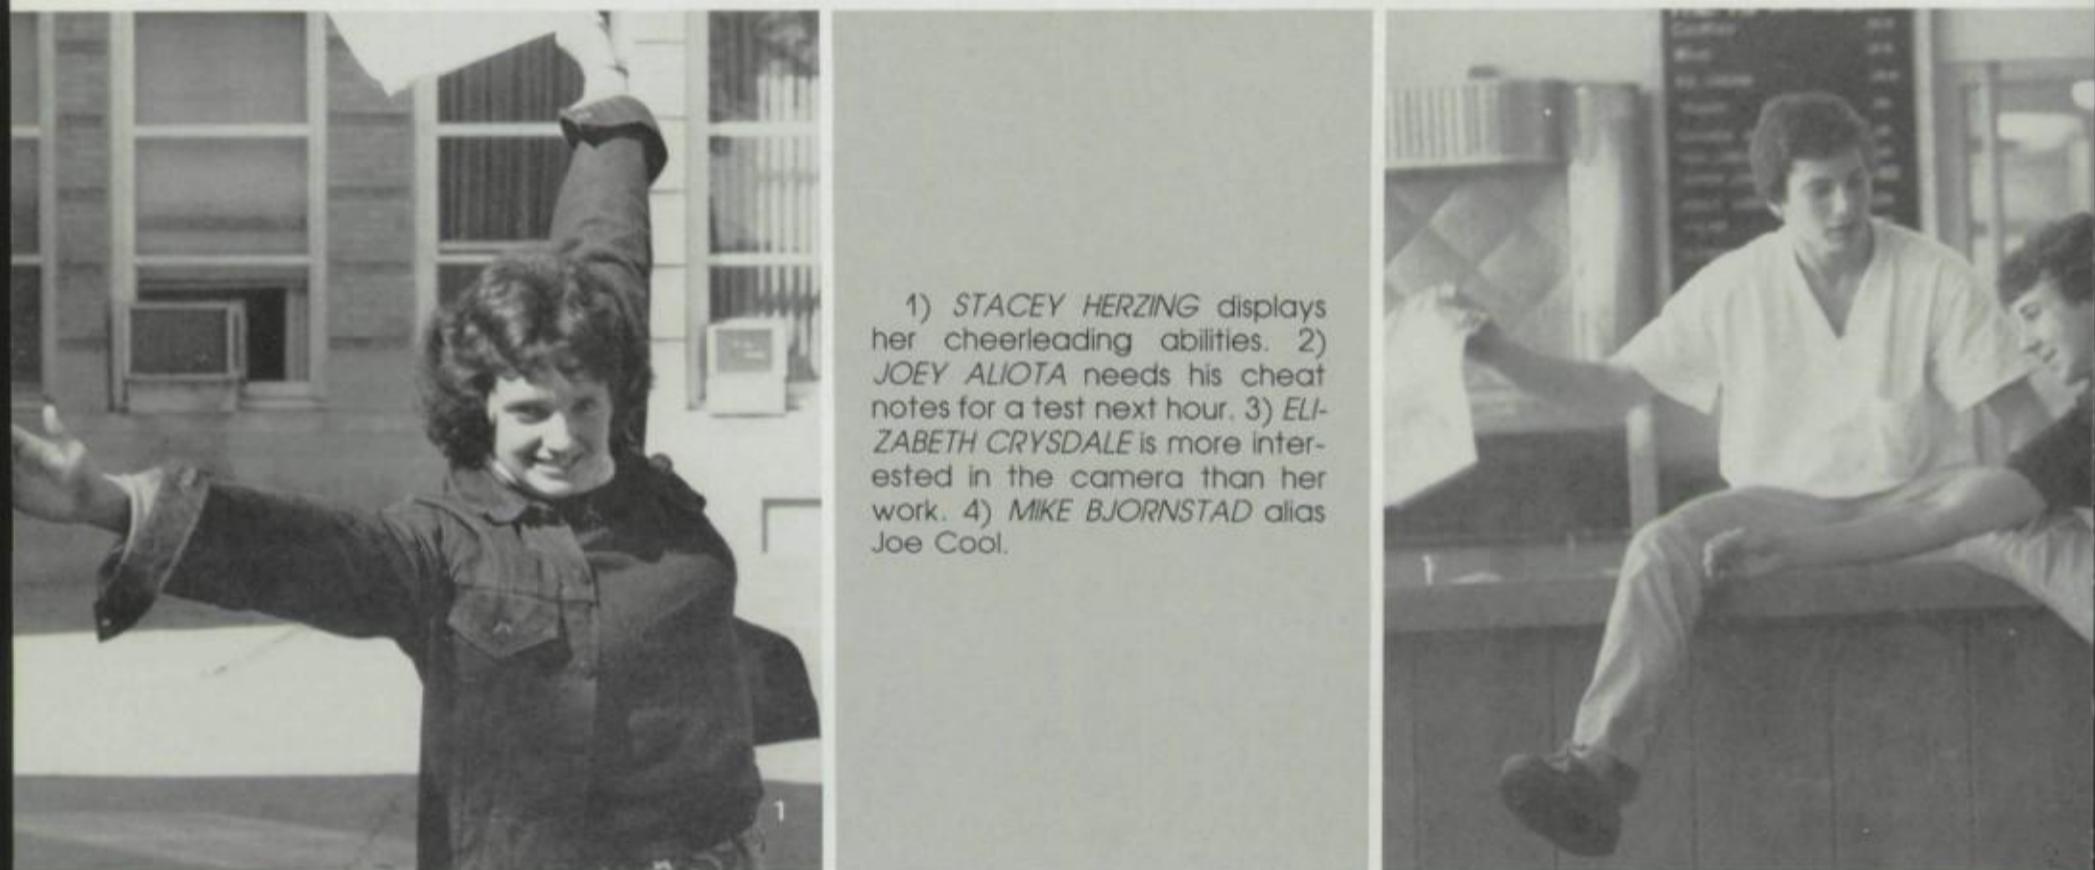

The Homecoming Assembly was the first activity where seniors really felt that they were on top. Seated at the front of the auditorium, the seniors were able to feel the power of reigning over the entire school. The traditional event of donning the dinks was the major event for the seniors at the assembly. "Remember Whens" also triggered many memories of past experiences. Senior spirit was prevalent from

Seniors Show Their Awesome Spirit

the beginning of the year.

The Class Day Assembly was also dedicated to the seniors. Seniors, clad in their graduation gowns, walked through the halls on the last day of their high school career. At the assembly, seniors willed various traits or articles that they were known for to underclassmen or faculty. One of the favorite parts of this assembly was the reading of the "Senior Superlatives" which put the final touch on their last day of high school.

The Senior class was led by President Devin Miller, who was serving his second term as a class president. He was assisted by Vice President Susie Ploetz and together they made the year one that will never be forgotten.

Juniors

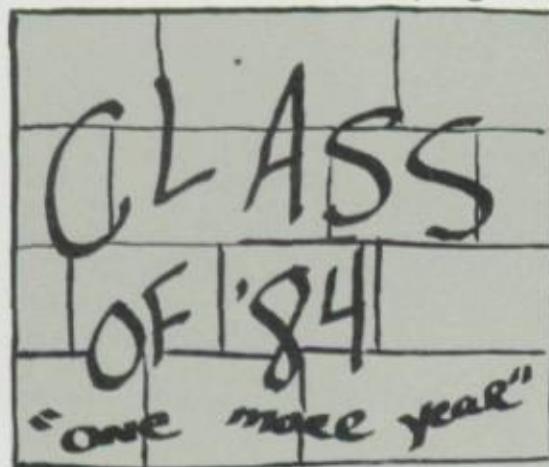

Due to their past involvement in school government, the Junior Class elected Susan Blinkhorn as president, Karen Franchino as vice-president, and Rebecca Snider as treasurer for the 1982 school year.

Since Prom is such a large cost, the class began its huge fund-raising task during the summer months by having paper drives, which were planned by Karen Franchino. Her organization, as well as the hard work of those who participated, helped make this fundraiser a success. In addition to the paper drive, the Juniors held a car wash. These money makers were held in August and raised about four hundred and fifty dollars.

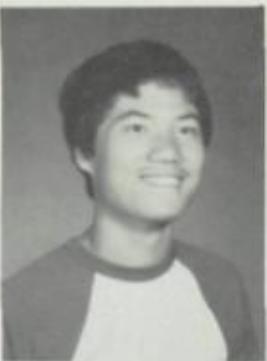

The money raised went towards building the Junior's Homecoming float, which took first place in this year's competition. The winning float was built at Amy Bocksenbaum's house.

The Juniors then collaborated with the Seniors in having the Halloween dance, which only the upperclassmen, dressed in various costumes, could attend. It was held on October 28 from 8:00 to 11:00 p.m. at Hubbard Lodge. The band was "Joe Voyer."

Halloween Dance Financial Loss; Juniors Regroup For Prom

After the financial loss of the Halloween dance, the Juniors held many activities to earn money for Prom. Several students worked during basketball games selling concessions in the Youth Center. Also, the Juniors held a "servant day" and auctioned off several services for the day.

The main event for the Junior class was the 1983 Prom. Various committees were formed during the second semester, and the students worked extremely hard to make the 1983 Prom a tremendous success.

Sophomores

As many sophomores discovered, this was a year of growing up. The freshmen teasing and hassling was no longer existent, allowing many to extend their friendships to upperclassmen. Since the frightening part of high school was over, people opened up and became more involved.

A sense of independence was gained by those who turned sixteen and obtained their driver's license. All of a sudden one was no longer dependent on mom or friends to go where he wanted to go.

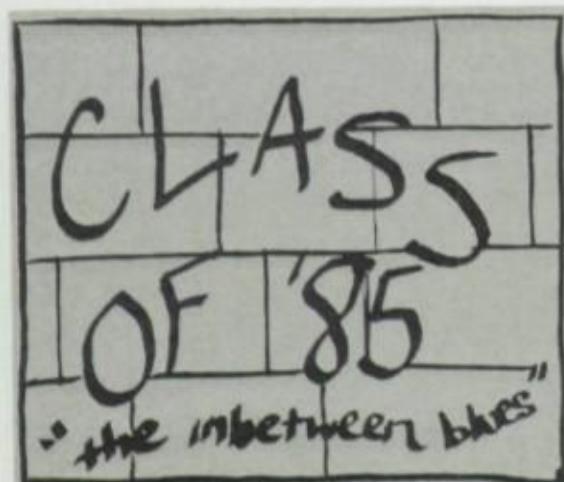

Elections were held at the end of freshmen year to elect class officers. Dana Stein was chosen to represent the sophomores as their president, while Louisa Kamps was elected vice president.

As their second year here at Shorewood High School, they realized the importance of raising money for activities such as Prom and Graduation. They had a very successful bake sale which supplied a good sum of money for future activities. Other fund raisers such as button sales also helped out.

Sophomores Fall Into High School

In the beginning of the year they were discussing the possibility of having a dance marathon instead of the traditional volleyball marathon. The discussion was brought up because in the past the volleyball marathons were not very successful, and the class wanted to do something original.

During Homecoming it was decided to build the float at Anne Sappenfield's house. After much hard work, the float won a very respectable third place.

Midway through the year, sophomores had the opportunity to purchase class rings. The ring is an item that people have to remember high school years and, in effect, it is treasured all their lives.

1. SOPHOMORE STUDENT Council representatives, BACK ROW: Cathy Mann, Louisa Kamps, Dennis Gerhardstein, Karen Timberlake, FRONT ROW: David Chang, Leslie Kern, Dana Stein, and Kim Paap.

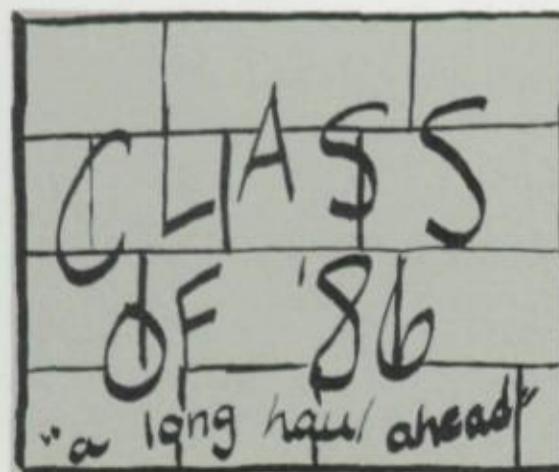

Freshmen

Freshmen year is a year of discovery. It's deciding which of the schools many clubs and activities to join. It's learning that being sent to Mr. Geske is not the end of the world. It's discovering many different kinds of people, making new friendships and learning which teachers to take or to avoid in the future.

If you asked someone to describe a typical freshmen, he would say, "They're the short twirps running around with lost expressions on their faces." This may be partly true; however, the freshmen are truly a fun class with plenty of school spirit.

The first day of school came quickly. Each freshmen had a different reaction to the high school. Many were surprised at how large it was; others at how small it seemed. Some thought high school was going to be difficult; to others it seemed easy. The myth about the terrible seniors that beat you up in the halls was happily discovered to be untrue. After that nerve racking first day, most "frosh" felt comfortable and

Freshman Survive Year At SHS

were looking forward to the year ahead.

The year started with elections for class officers. Running unopposed, Dan Blackman won the position of president. Assisting him as freshmen vice president was Jenny Weiss.

Homecoming week brought with it new experiences for the freshman. The freshman float didn't float as was intended, though it was still fantastic taking an awesome 5th place. At the Homecoming dance, there was an unusually high freshmen attendance. As many freshmen learned, getting involved is the best way to meet new people and to have lots of fun.

THE FRESHMEN CLASS Student Council Representatives: BACK ROW, Renee Herzing, Jack Haensel, Jenny Weiss, Joe McPherson; FRONT ROW, Keri Stoltman, Nick Petrie, Dan Blackman.

Faculty

There were many new additions to this year's faculty. They consisted of Sue Ewens, Nancy Gornes, Gracie Willis, Sandra Hassemer, Helene Bown, and Maryles Bacon. Sue Ewens worked as the administration assistant, which involved co-ordinating both the IPC and the curriculum review board. She received her masters degree at Notre Dame. The new learning disabilities teacher was Nancy Gornes. She attended UW-Madison and has worked in Kansas City, Brown Deer, and Wauwatosa. Gracia Willis was one of the teachers who taught at both the High school and the Intermediate School. Replacing guidance counselor Mike Ahrens was Sandra Hassemer. She received her bachelors degree at the UW-LaCrosse and before coming to Shorewood she counseled at Whitnall High School. Helene Brown, the new French teacher, received her degree at Bordeau College in France. Another addition to the language department was Maryles Bacon. She attended Michigan State University where she received her training in Spanish. She also taught at Whitefish Bay before coming to Shorewood.

Teachers Travel To Various Countries

In addition to the new teachers, many of our current staff went on trips to better educate themselves. Lynn Zwitter and Sonja Ivanovich went to China, Hong Kong, Xian, Peking, Nanjing, Shanghai, and Canton. Barbaba Tays spent fifteen days in Norway, Sweden, and Denmark. An average of five days were spent in each country. Delores Lenore stayed with the Classical Music Seminar in Eisenstadt, Austria. She also visited Vienna, Helsinbourg, and Sweden. Three of the cities that Walter Klaffenbock toured were Salzburg, Vienna, and Innsbruck. He also went to Munich, Germany. Much of Donna Shepard's summer was also spent in foreign lands. She visited Italy, Greece, France, England, Switzerland, Germany, Monaco, Scotland, and Egypt.

Academics

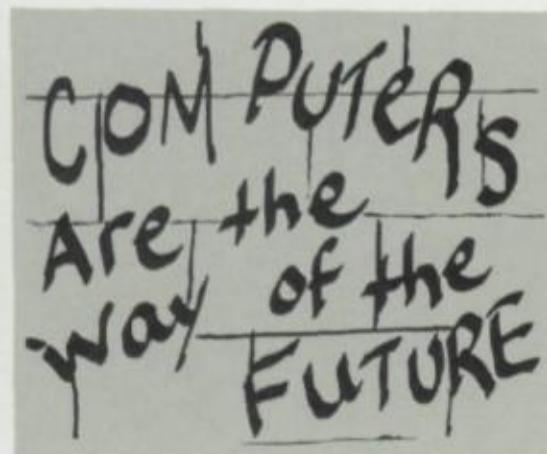

The Shorewood High School Administration extended the use of the computer during the 1982-83 school year. Dr. DeYoung saw that the use of the computer will continue to increase. He stated that in the near future there will be a variety of applications of computer technology.

Someday S.H.S. may teach word processing. DeYoung also said that *Ripples*, *Peagensus*, and *Copperdome* may be using word processors. The English Department made it possible for seniors enrolled in the Advanced Placement Composition class to write and revise essays on word processors.

The impact of the computer was also felt by the Science Department. With the aide of the computer, students were able to develop science projects outside of their daily work. Science teachers also found the computer useful for evaluating students' progress with a program written by Mr. David Biddick.

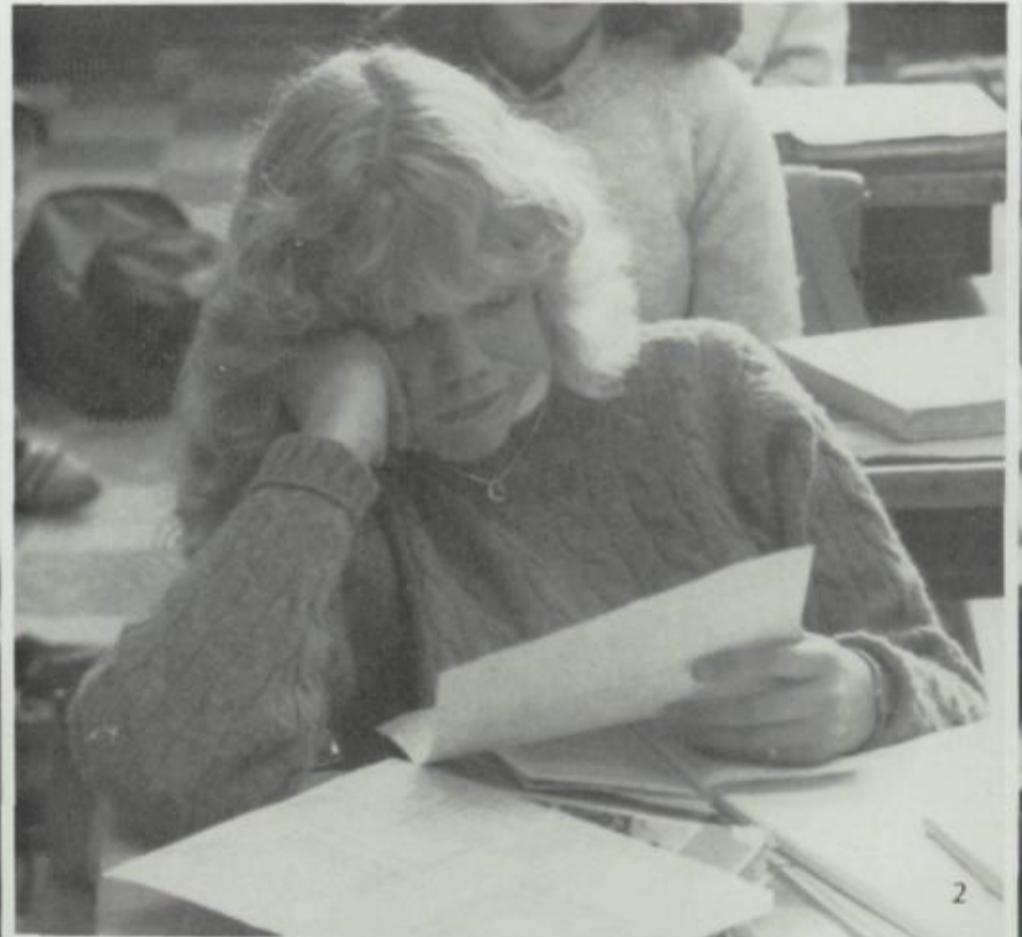

The Math Department offered students a wide variety of classes including a computers class taught by Mr. Tom Pierce.

Shorewood High School also offered many students individual attention to make their life at S.H.S. easier. The Special Services program allowed a student to receive help for their main classes or hold self-contained classes to help the student on an individual basis. This program, run by Mrs. Betty Rottman, was able to help 35 students.

A new addition to the Business Education Partnership with the Milwaukee Gas Company was a program entitled Increasing Options through Life/Work Planning. The course which met on a weekly basis for one semester was taught by Mrs. Joyce Schwerm. The course focused on ways for students to make carefully thought out decisions concerning their future and to consider all the opportunities open to them.

MRS. SCHWERM and the Life/Work Planning group discuss future career opportunities.

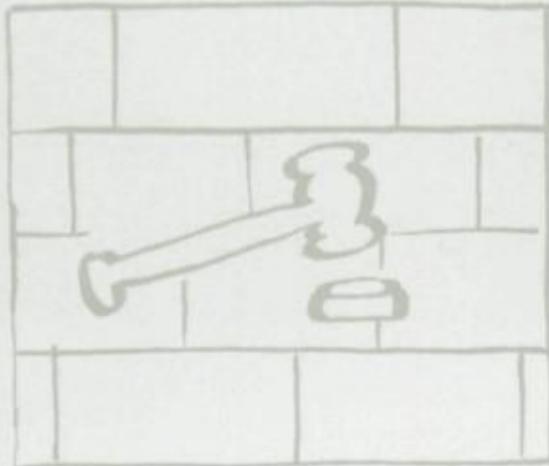

Student Council

Under the leadership of President Eric Dresselhuys, Vice-President Steve Fischer, Treasurer Craig Jonas, Secretary Anne Penner, and Secretary of Publicity Tom Anderson, the Student Council continued to provide many activities for the student body.

Homecoming Week was the first big event of the year. From October 4 through October 8, the Council sponsored various days to promote school spirit. The week started out with Hat 'n Shades Day, followed on Tuesday by California Day. Wednesday was MASH Day, with class competitions on the front lawn during lunch and the annual parade occurring that evening at 6:00 P.M. Thursday was Punk/Outrageous Day, with the ever-popular Bonfire that night. Friday was Red and Grey Day/Team Day, the assembly, pep rally, and the Homecoming Game. During halftime, the floats rode around the track.

"Wonderful Tonight" was chosen for the theme of the Homecoming Dance. It was held on October 9 at the Blatz Pavilion in Lincoln Park from 8:00 to 11:00 P.M. The band "Exhibit A" provided the music.

Another big event planned by Student Council was Interim, held on March 2. Due to the hard work and dedication of co-chairpersons Anne Sullivan, Karen Franchino, and Kim Paap, as well as other members of the committee, Interim proved to be extremely successful. Created to be a break in the monotony of the third quarter for students at SHS, it consisted of 8 all-day field trips, 11 half-day field trips, and 18 half-day workshops. Trips included going to Chicago to see the Broadway musical "42nd Street," visiting the Art Center in Madison, seeing the Museum of Science and Industry, and touring a brewery. Workshops included dance, karate, calligraphy, and ultimate frisbee.

In addition to the usual activities sponsored by Student Council, it initiated the paving of the path from the Drama building to the corner of Capitol Dr. and Oakland. Another project was the renovation of the Youth Center, involving the painting of the walls and ceiling, and the installation of booths.

Public Speaking

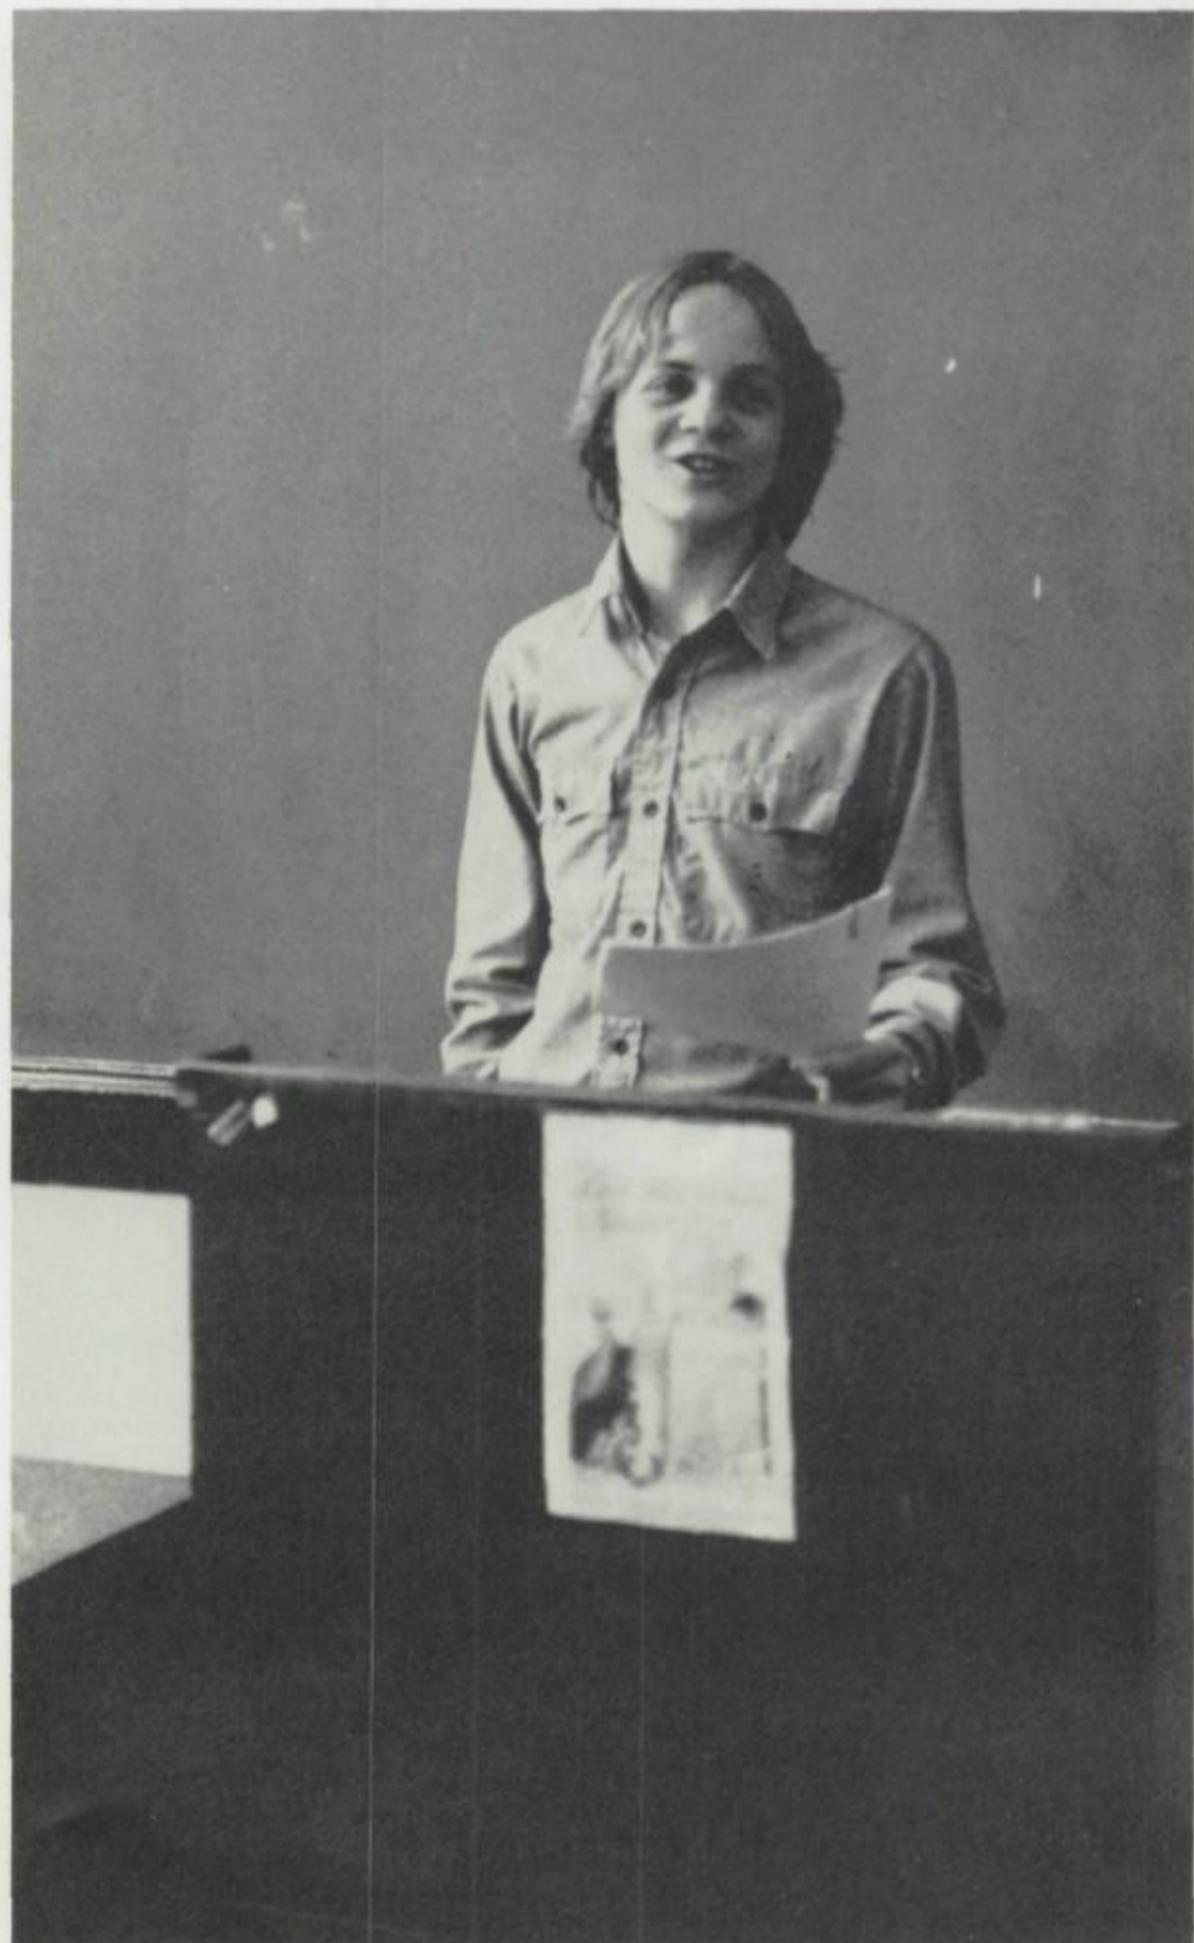

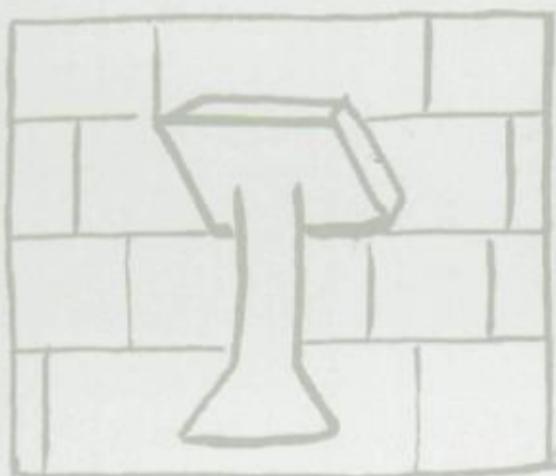

Joanne Kallenberger replaced Nancy Roddy this year as the faculty advisor for Shorewood's Forensics Team. She began the season in February with close to thirty members. The contest areas from which team members could choose included story telling, play acting, declamation, extemporaneous speaking, prose reading, and original oratory. Kallenberger held individual meetings with members to give tips to team members to help them perfect their presentations. The team participated in many tournaments throughout the spring to prepare the team members for the State Forensic Contest in April.

Miss Sonja Ivonovich guided the 24 students who participated in the Model United Nations program this year.

These students were organized into groups of six, each group representing a different country. The countries represented this year included the Philippines, Spain, India, and Ireland.

After students selected the countries they wished to represent, they did indepth research on the issues concerning the country of their choice.

Shorewood's Debate Team took on a new look this year as students from Whitefish Bay High school joined the team. Four students from the Bay took part in many of the tournaments.

The debate season began on October 1st and was concluded near the end of January with tournaments virtually every weekend. With foreign arms transfer being a major issue of foreign policy discussions this year, the debaters argued the negative and the affirmative sides of the resolution: "The U.S. should significantly curtail arms sales to other countries."

The team enjoyed another very successful year recording more wins than ever before. Shorewood swept the Suburban Conference championship by taking first place at both the Novice and Varsity levels.

Shorewood was represented at the State Tournament at Carroll College by a two-man team of switch-side debators consisting of Katie Mulligan and Mike Roddy. Although they did not bring home a trophy, they did win three of their six debates.

Mrs. Roxanne Hanney again this year took the responsibility of being the faculty advisor to the debate team. Through her efforts the new arrangement with Whitefish Bay was successful. Mr. Craig Bush, a recent graduate of Shorewood and a debator himself, served as Hanney's assistant.

MEMBERS OF the Suburban Championship Varsity Team are Gina Petersen, Chris Stuckslager, Mike Roddy, Katie Mulligan.

Publications

The 1982-83 *Ripples* worked with a greatly increased staff which gave it a broader base than ever.

Leading *Ripples* this year was Editor Steve Kloehn, who had great confidence in *Ripples'* future. He stated, "The paper has the potential to become one of the best in the state." *Ripples* is already partially to its goal by coming out more often than any other school newspaper in Milwaukee County.

The Sports Section, edited by Eric Nelsen, attempted to have people cover the same sport throughout the season. In effect, the writers reported more accurately on their sport because they were better acquainted with it.

The Feature Section looked for a balance between serious stories, which give readers an interpretation of events, and funny stories, which entertain with a humorous view of student life. Helene Gresser and Jill Reigelhaupt were the Feature Editors.

News Editors, Katie Jones and Susan Blinkhorn, tried to cover all the events that occurred around the school and better educate SHS students.

THE 1982-83 EDITORS of SHS Publications; Steve Kloehn, *Ripples*; Anne Penner and Jean Kenney, *Copperdome*; Ann Nelson, *Pegasus*.

This year *Pegasus* Literary Magazine provided a wide variety of art and writing. Students were encouraged to contribute material such as poetry, short stories, art work and photography. Contributors were able to submit material on a regular, occassional or independent basis. The winners of this years' art and writing contest were Greg Magarian for art and Phil Hudson for writing.

Penner and Jean Kenney, the 1983 *Copperdome* staff attempted to produce a yearbook different than the traditional SHS annual. Instead of each sport or activity having its own two pages, related subjects were combined into one section. Since previous books had been lacking in artwork, the editors felt that it should be a point of focus. Artwork appeared on the cover, the opening and closing pages, and at the beginning of each section.

The staff also felt it was necessary to include a section on the 1982-83 world events. As time progresses this section becomes more valuable because one recalls the events that occurred during his high school years.

Spirit

This year the cheerleading squads went through a state of transition. Due to a lack of interest, there was no Freshman Squad. The Junior Varsity Squad consisted of five members with Dana Stein as captain. Tracey McVicker was elected captain for the Varsity Squad. Near the end of the season it was decided that they would only cheer at away games because of the busy schedules of the girls and the lack of participation from the crowd at games. The squad had no fundraisers this year, but saved the money it earned from running the football concession stand for the past two years. This money will be spent on new uniforms.

The Varsity Squad will be losing many cheerleaders due to graduation. Advisor Joan Evans hopes that she will be able to spark more interest in cheerleading in the younger girls.

The 1982 Flag Corps Team was comprised of ten girls under the direction of Marlin Pendleton. During the football season, the Flag Corps performed with the band and pompon squad. The girls met during the lunch hour the week before each game to learn the routine. During the week of

players' houses. The squad also elected Ann Penkalski as its captain. Because of personal differences with the faculty, Ms. Peterson resigned. The girls were left without an advisor for several weeks until Vita Lagenkamp, a former Marquette cheerleader, was hired. Though new to pom-pon, Lagenkamp was able to help the girls develop several exciting routines. The girls participated in a competition at UWM and also performed at the Arena during a Marquette basketball game. Although it was a season of changing advisors, the squad adjusted well and performed to the best of its abilities.

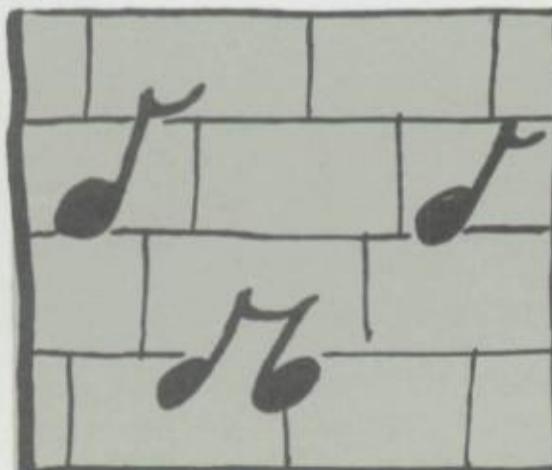

Fine Arts

The 1982-83 S.H.S. Band began a busy year under the direction of Marlin Pendleton and Drum Major Tom Anderson. The band entertained Shorewood Crowds at three football games. Each show required two weeks of preparation with practices beginning at 7:15 A.M. the week of the performances. The band traveled to Madison on September 25 to participate in UW-Madison Band Day. In December the band kicked off its concert season by presenting an afternoon concert for the students at Atwater School. They played the theme from E. T. to a very receptive audience. Next in addition to providing music at all the home basketball games, the band presented its annual Winter Concert.

The highlight of the year was an overnight exchange concert with Lancaster High School on March 15-16. The band presented several performances including a joint concert with the Lancaster Band. Lancaster returned the visit in May.

The Jazz Ensemble also had a busy season, performing at all the band concerts. They also provided the music for this year's community prom, to the

to play with other interested students. Because the class was so small, the hour was sometimes used to enhance the students' awareness of music by listening to various records and discussing the styles of various composers. Members also had the chance to perform individually at the state solo and ensemble contest in Cudahy.

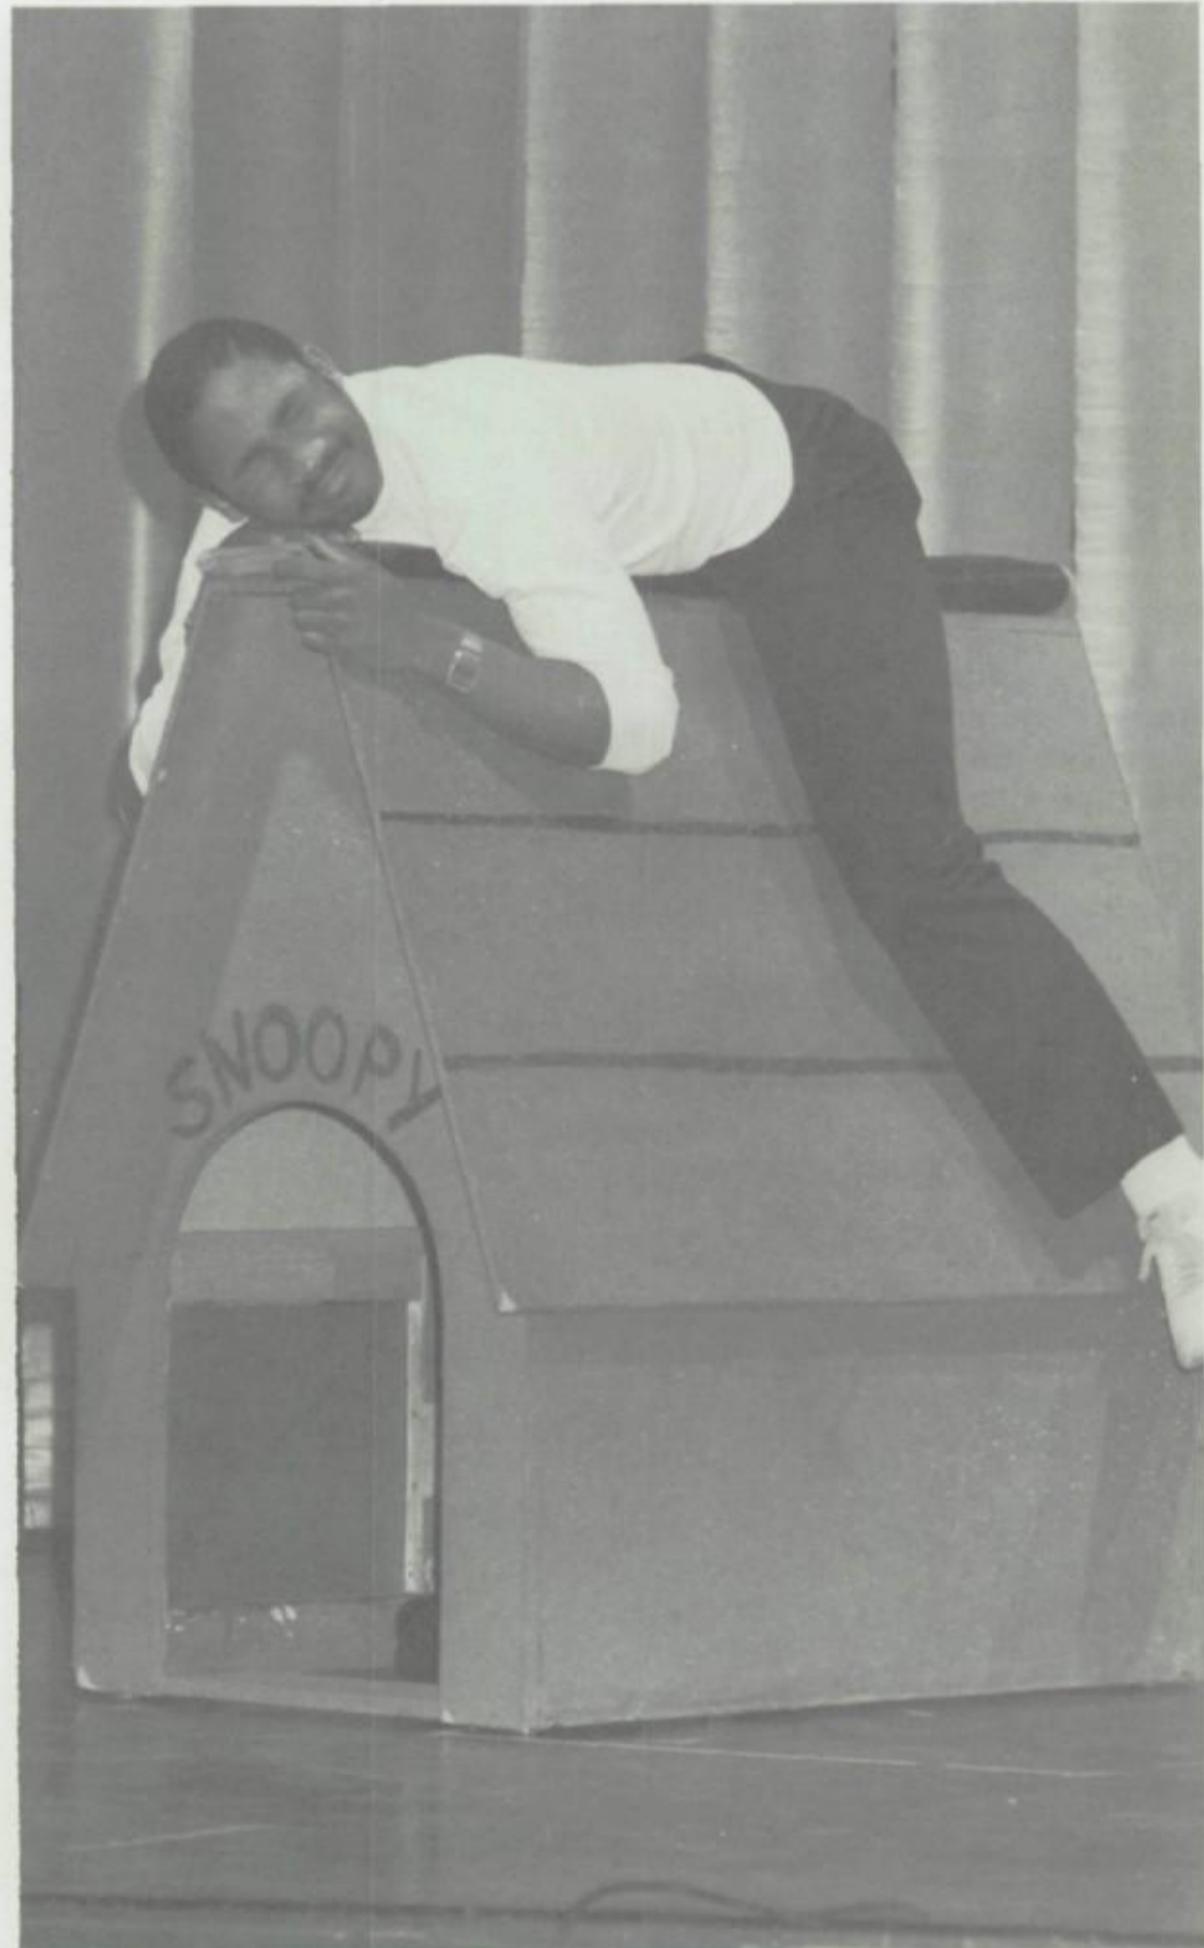

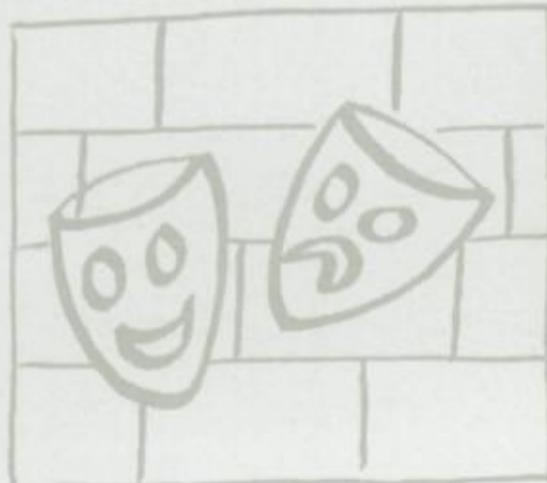

This year's mixed chorus underwent a major change this year. Dolores Lenore, who taught at SHS for eleven years, decided to take a leave of absence for one year beginning in January. She does plan on returning to SHS. Mr. Robert Quint replaced Lenore. Along with their usual number of performances, the chorus also sang Christmas carols at the Wisconsin Gas Company. The choral group was also video taped and shown on cable television.

Drama

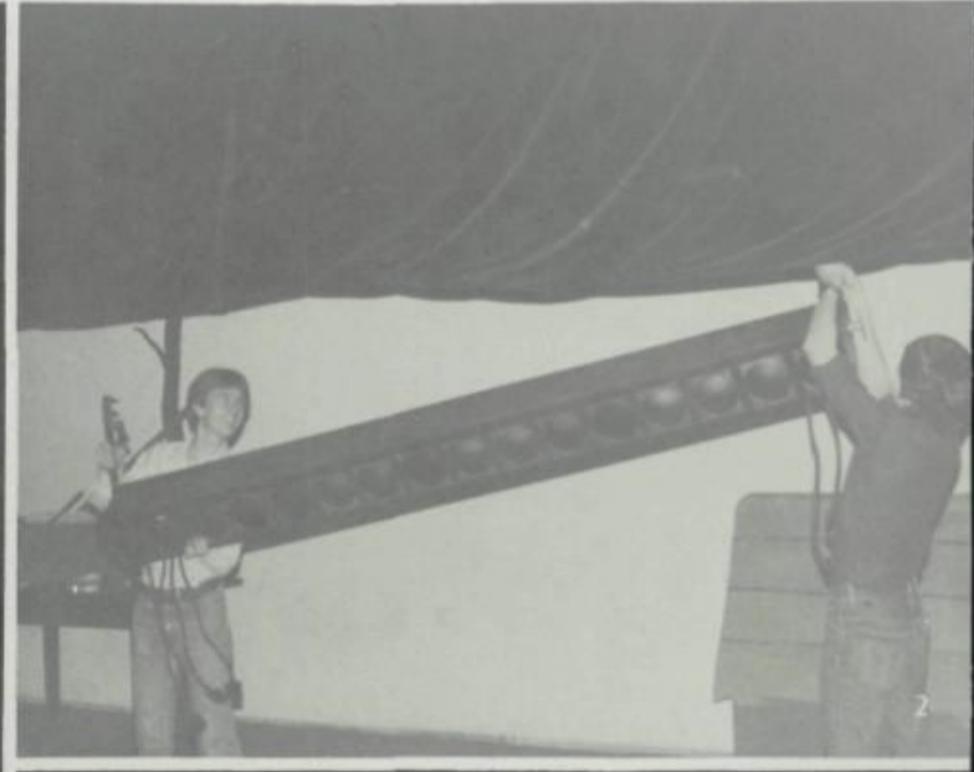

The Shorewood High School Drama Club produced four shows and the annual Showcase for AFS Club this past year. The chairman of the Drama Department was Mrs. Barbara Gensler. President Geoff Reehl and Vice President Kristy Aldrian were selected for student leadership. While Mrs. Gensler did the acting direction, other staff members ran the production crews. Ms. Joanne Kallenberger was in charge of the publicity for the club which educated students about the various aspects of promotion and ticket sales. Kallenberger also led the activities of the make-up crew whose objective was to teach participants the basics of applying the stage make-up and special techniques. The stage crew, directed by Mr. Gary Pruett, taught students how to build the settings. Lighting and sound arrangements were also controlled by the stage crew techies. Mrs. Sue Weckesser, a long time member of the drama staff, managed the costume crew. Mrs. Weckesser instructed her force on the procedures involved in fitting and sewing the costumes.

The Good Doctor, a play written by Neil Simon was performed on March 11 and 12. Joanne Kallenberger directed the show. The play consists of eleven vignettes based on short stories by Anton Checkov. Each story line is humorous and is connected by the narrator. Kristy Aldrian, a stage crew member, designed the lighting and the set for the show. Ms. Kallenberger found directing a challenge because the show is a piece that represents a certain time period. The small cast included three men and three women. They were Victor Gerhardstein, Tom Hammond, Tim Malchow, Sherri Savick, Stephanie Scheschy and Eva Aberg. Danette Blitz was the student director.

The stage crew will be looking forward to the new electronic lighting system which may put the lighting system on a computer. Drama Club enjoyed a prosperous year with varied pieces performed. Many new faces added to the creativity and talent.

Miscellaneous Clubs

Mr. John Blohm, advisor of this year's Camera Club, had the opportunity to train his student photographers to shoot pictures and develop and print the negatives in their own dark room at SHS. The Camera Club also learned to give their pictures some special effects such as bleeding two into one. The members learned how to use the distance rules for lenses and flashes correctly. Some of the members provided pictures that were used in the SHS newspaper, *Ripples*, and the yearbook, *Copperdome*.

This year's Chess Team was made up of five members with Peter Schmidt as manager and Mike Parker as captain. The club's season ran from October to March with meetings held every Thursday. Chess meets were held every week at various schools. The meets provided experience for the State Tournament at UWM.

The Art Club had a very eventful year under the leadership of President Tom Augustine. The club went on various field trips including one to the Chicago Art Institute. It also designed, constructed and flew kites in the spring. The Shorewood Art Fair was also held in the spring and much as-

After being absent for two years, the Math Club returned to SHS. Mr. Rodger Woods reinstated the club which had around twelve members. The club met at noon on Tuesdays on a monthly basis.

Advisor Larry Nelson and President James Powell provided many services for the school through the Audio Visual Club. The club was responsible for the distribution and repair of hardware equipment.

The Ultimate Club, new to Shorewood this year, played a game that was a combination of soccer and football but with a frisbee. The club was formed by a group of interested boys who attempted to get together at least once a week. The founder and president of the Ultimate Club was Steve Fischer. Other people holding offices were Tom Clark-vice president of uniforms and injuries, Eric Nelsen-vice president of the media, Alex Hestoft-vice president of rules and regulations, Chris Shank-vice president of weather and Sam Huntington-vice-president in charge of Paula, the team's mascot and guiding light.

Foreign Affairs

This year's involvement in German Club, Spanish Club or AFS Club gave students the opportunity to deal with the languages, cultures and people of different nations.

President Sandra Kampen and Vice President Victor Gerhardstein headed German Club this year. With the help of Advisor Walter Klaffenboeck, the members were involved in many activities. Donating money, the club was able to sponsor the "Save the Children" program for one month. In November they saw the "Stratton Mountain Boys" perform at the Oriental. The students were able to enjoy a dancing and yodelling competition. During the second semester the club got involved in fundraising by having many bake sales. The money was needed for their ski trip to Little Switzerland and their annual trip to Great America.

The Spanish Club, although having no regular meetings, planned one major event. The group went out to eat at a restaurant and then saw "Ballet Folklorica" at the PAC. About twenty-five students attended accompanied by Advisor Marita Ritsche.

The major fundraiser for AFS Club was Showcase. Its theme was "Just Go to the Movies" and was held on December 11th and 12th. Showcase allowed students to display their dancing, singing, and acting talents to the community and, in the end, contribute to the continuation of the AFS Program.

Boys' Fall Sports

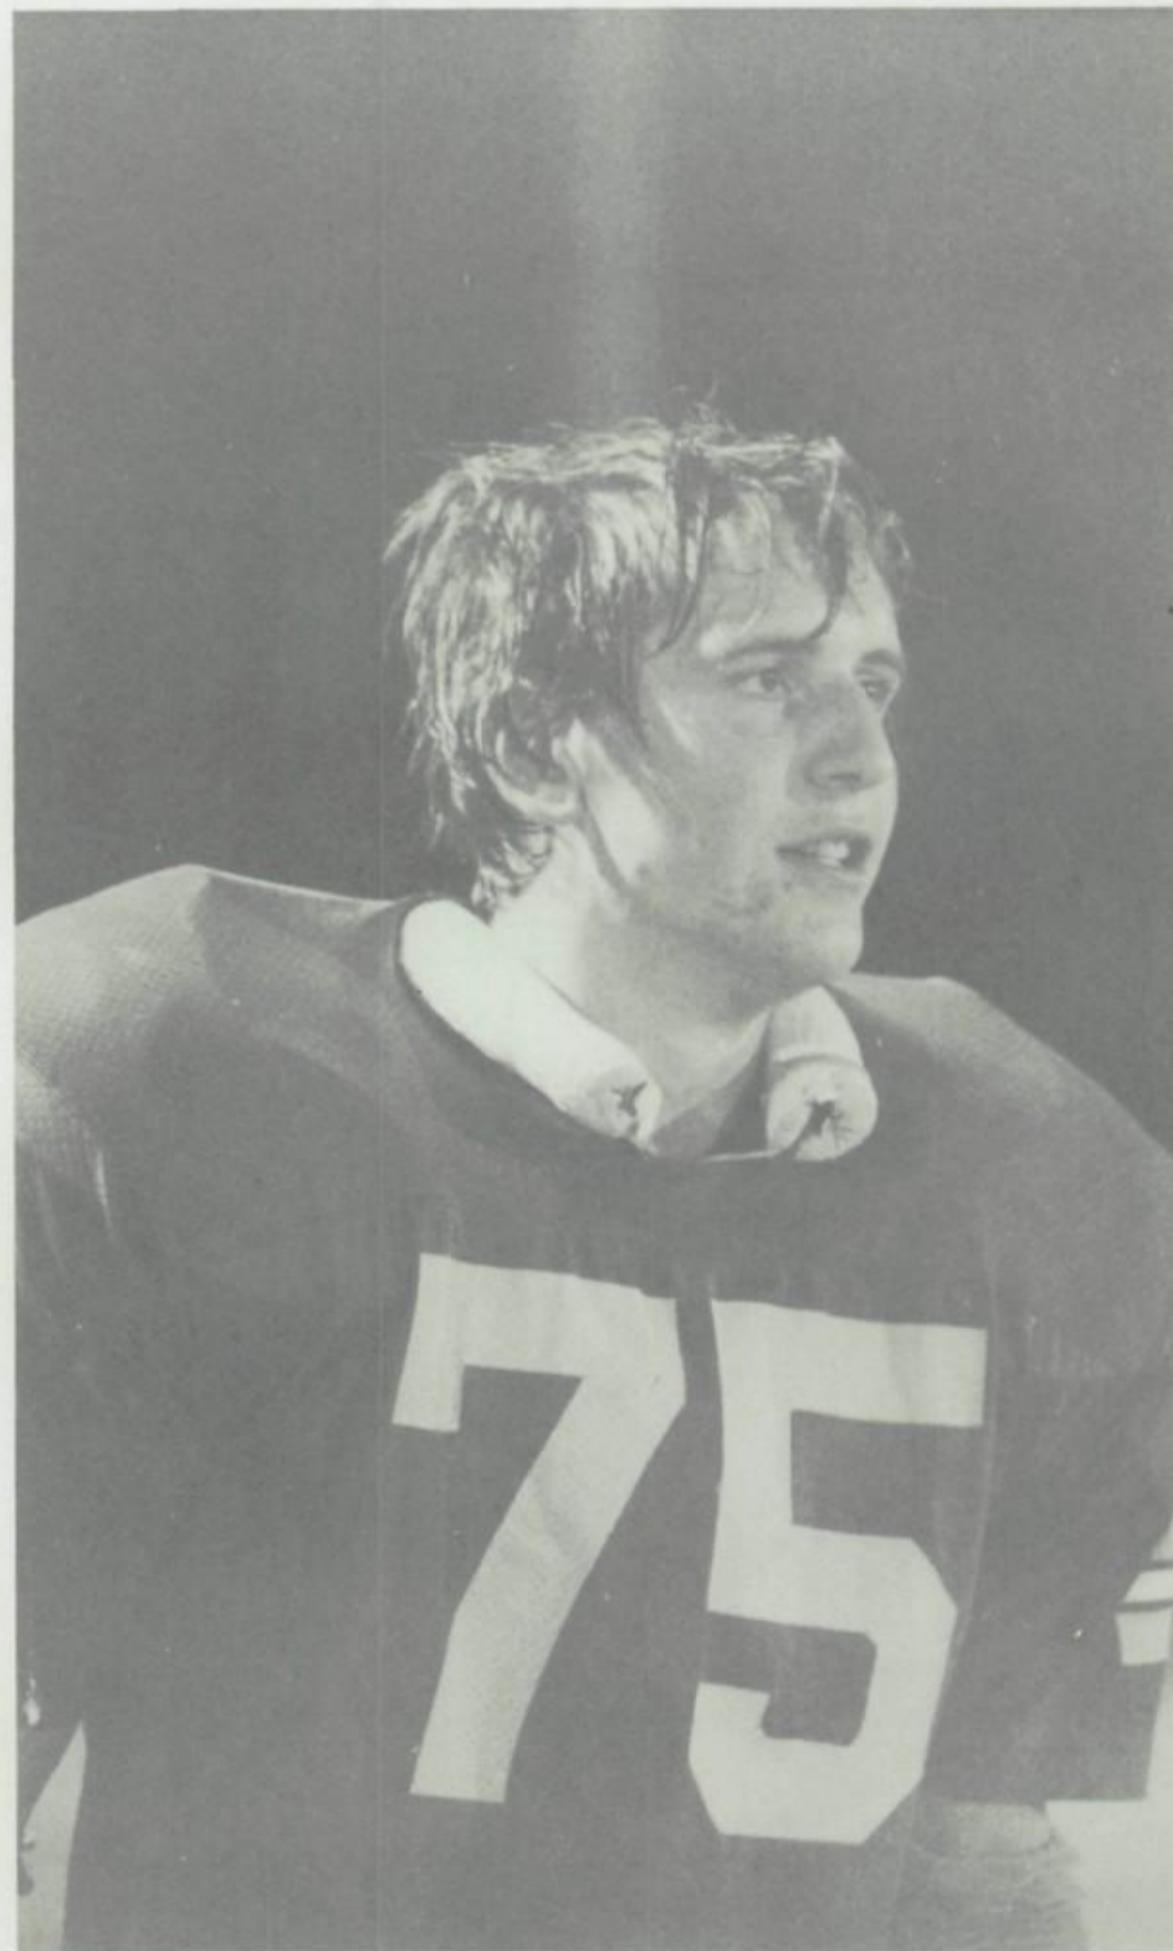

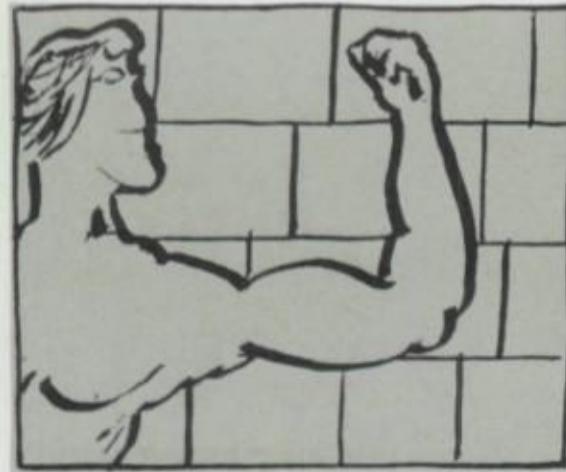

The 1982 Boys' Varsity Soccer Team finished its season with a record of 7-7. This year the team experienced a few changes. The most vital was Bob Brock replacing Ken Warren as assistant coach. He worked with the J.V., while Dave Scherer continued to coach the Varsity.

Contributing to the team's success defensively were David Wood, Tony Randazzo and Mike Rosentiel in the goal. Contributing offensively were Sean Reynolds and Mike Kraus as the leading scorers. Receiving Most Valuable Player for Varsity was Wood, with Rosentiel receiving honorable mention.

The J.V. Team finished the season with a record of 5-6. Leading the team were Shannon Linnane, Dexter Samuels and Regie Welsh. Linnane received Most Valuable Player for the J.V.

With six returning lettermen, the 1982 Varsity Boys' Volleyball Team was able to top off their tough season with a 17-13 record. The Hounds came on strong placing third out of seven in the final Division II standing and seventh in the 15 team Suburban Conference.

finished in a three way tie for first place with Whitefish Bay and Wauwatosa West. Their single conference loss was to Whitefish Bay.

With the help of Coach Luke Groser, the 1982 Boys' Cross Country Team finished its season with smashing success. The squad came in sixth place in the WIAA State Cross Country Run. Matt Crysdale led the team placing eleventh in the run. The other members of the team that went to State include: Captain Peter Wickman, Xavier LePlae, Kevin Roderick, Mark Synnes, Randy Cera and J.P. Olevera. The team finished with a five and four record. In the Suburban Conference they placed eighth out of twelve schools. Their Sectional win enabled them to go on to State for the first time in almost twenty years. Steve Wickman was the Most Improved Runner.

Girls' Fall Sports

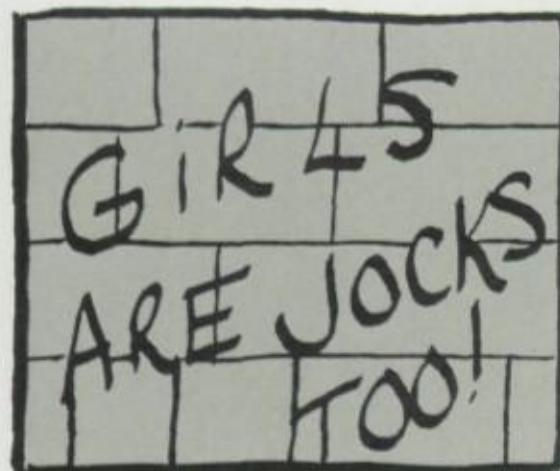

This year's Girls' Varsity Volleyball Team welcomed its new Coach, Tom Alber. Captain Stacey Herzing was the leading spiker, named most valuable player and was elected to the All Conference Team. Marie Schoeder with her outstanding serving and spiking earned Shorewood additional points.

The highlight of the season was the tremendous success of the team at the St Francis Tournament. Shorewood won all of its ten games and walked away with the first place trophy. The girls ended the season with an impressive record of 13-5. In their conference of sixteen teams, they finished fourth.

The J.V. Volleyball Team progressed and learned a lot this year. The highlight of the season was at the Homestead Tournament. Although Shorewood did not win overall, they were the only team to defeat Whitefish Bay, the champions.

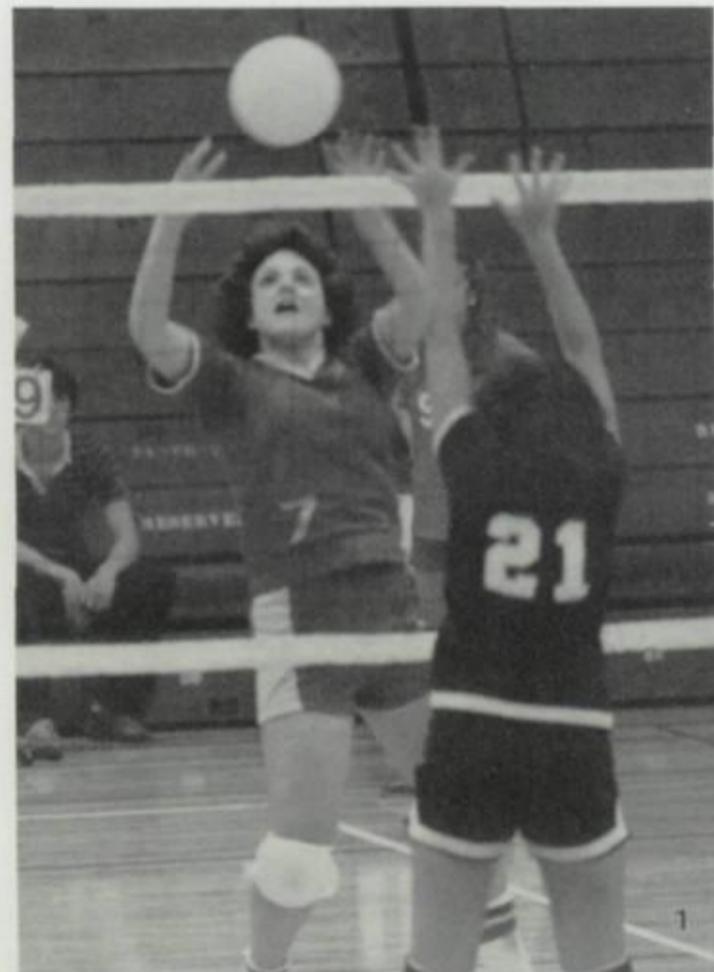

The 1982 Girls' Cross Country Team consisted of five seniors and seven underclassmen.

Boys' Winter Sports

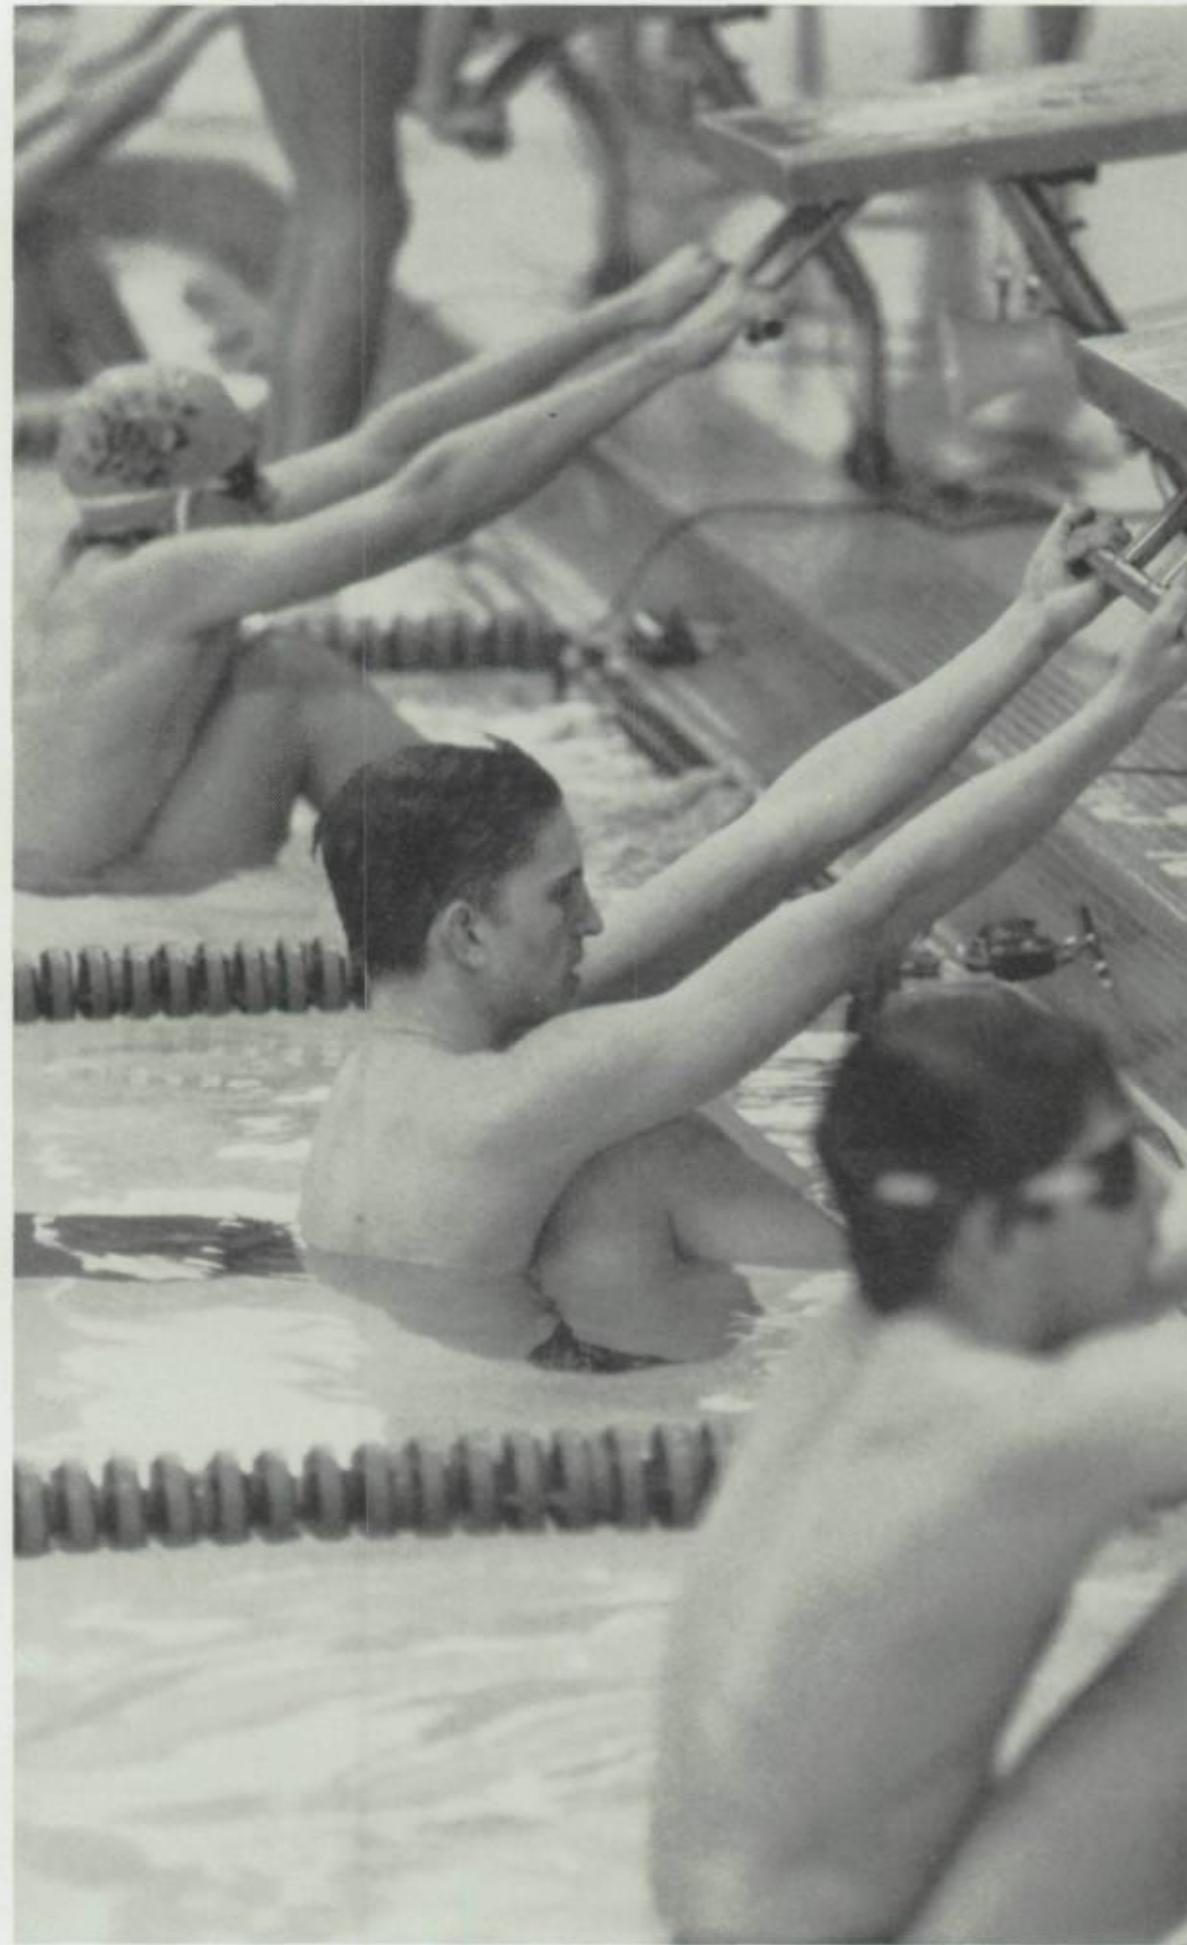

The 1982-83 Varsity Wrestling Team finished with its best season since Ken Warren began coaching. The Varsity team finished with a record of 6-6 in dual meets. The team set 21 team records along with 11 individual records. The best win/loss records on the Varsity level were set by Geoff Johnson, Bill Parenteau, Milton Silva-Craig, and Mike Taylor.

The team went on to compete at Regionals. They placed third out of six teams with a score of 113.5 points. Three wrestlers, Bill Parenteau, Milton Silva-Craig, and Mike Taylor each qualified for Sectionals. At the Sectional Meet, Shorewood placed tenth out of the 26 schools with 24 points. Parenteau was the only one to qualify for State. At the State Competition in Madison, Parenteau lost in the first round to the wrestler who eventually took first in the 138 lb. weight class.

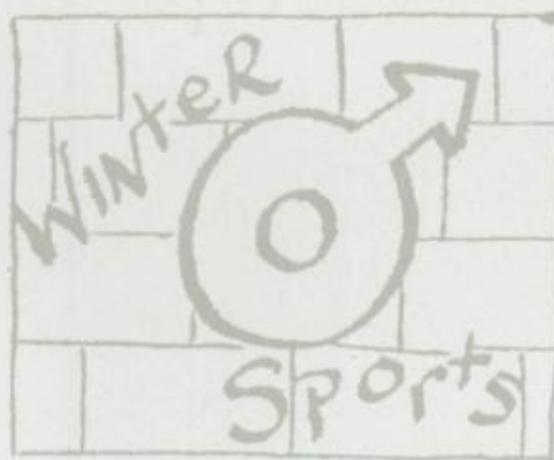

This year's JV Wrestling Team, coached by Dan Conklin, ended the season with a 3-3-1 record. The best win/loss records for the JV were held by Mike Kraus, Kiko Ojeda, Nick Randazzo and Tom Stehling.

conference record was 9-6. The starters for the team were Tim Adams, Pat Dunn, Vic Campbell, Parker Rios and Steve Williams. Campbell was awarded Most Valuable Player. The team lost to first place Bay twice. The JV's most impressive win was against Cudahy, winning by twelve points.

Although the Varsity Team's conference record was 5-10, it isn't a representation of team effort. The team, as a whole, suffered from inconsistency especially on offense. Coach Tom Rebholz felt the team was full of hard work but never seemed to find the right combination for victory. The team lost nine games by less than six points.

The team was well-balanced. Grant Chamberlain was the leading rebounder, averaging 12 per game. Craig Jonas, who shot 80% from the free throw line, averaged 13 points a game, making him the leading scorer.

The team continued in post-season play by winning the Sub-Regional game against St. Francis by the score of 60-54. The Hounds advanced to the Regionals held at SHS against West Milwaukee. Shorewood defeated West Milwaukee, yet then fell in a close game to Union Grove.

Girls' Winter Sports

Basketball and gymnastics are the two interscholastic sports that are offered to Shorewood girls during the winter months.

The 1982-'83 Girls' Varsity Basketball Team, made up of a relatively small number of girls, had a very successful season. Coach Luke Groser was pleased with the progress of the girls' games and with the outcome of the season.

Team leaders included seniors Monica Brown, Stacey Herzing, and Beth Enslow. Brown's impressive season was rewarded with a place on the All-Conference Team. She was also the second leading scorer in the conference and the team's leading rebounder. The team's award for free throw accuracy was won by Herzing with her completing 66% of her free throw attempts. Enslow was named honorary captain for the season.

Juniors Vicki Smith, Adele Brumfield and Marie Schroeder also had a good season. Smith received the "most spirited" award, and Brumfield and Schroeder were felt to be most improved.

Hayek. All players showed great effort and helped to make the season profitable.

The Girls' Freshman Basketball Team took time to reach its full capabilities this season. Coached by Mr. Larry Schober, the team ended with a record of 7 wins against 5 losses. Overall, the best game of the season was the team's final game which was a victory over Pius, 27-21. It was at that game the team was rewarded for its hard, season-long effort by playing together as a team.

In gymnastics, Shorewood girls continued to improve over past

World

The beginning of 1983 was filled with many events. An event witnessed by many was the final episode of the television program M*A*S*H. After debuting on September 17, 1972, and running for eleven years, the cast decided to end the show because of the exhaustion of new plots and ideas of character development. During the eleven year period, M*A*S*H went through many changes from time slots to new characters. Originals such as Alan Alda, Loretta Switz, William Christopher and Jamie Farr remained on the show for its entire duration. New characters played by Mike Farrell, David Ogden Stiers and Harry Morgan successfully replaced originals Larry Linville, McLean Stevenson, Wayne Rogers and Gary Burghoff, who all left years before the "cease-fire".

Throughout the country, fans, clad in fatigues or hospital paraphernalia gathered at M*A*S*H parties to watch the final episode. In this 2½ hour show, Klinger married a Korean woman; Father Mulcahy lost most of his hearing and Hawkeye was in a mental ward temporarily because he suffered a nervous breakdown. In

the end the M*A*S*H crew returned home.

In early April Chicago was divided by race and politics trying to elect a mayor. In the primaries black candidate Harold Washington defeated Mayor Jane Byrne for the Democratic position. Bernard Epton was the candidate chosen by the Republicans. Throughout the election Chicago residents were full of prejudice and not optimistic about the city's future. At the polls Washington received 95% of the black vote and 18% of the white vote which gave him a victory making him Chicago's first black mayor.

During the past two years the number of Americans who have used cocaine went from fifteen million to twenty million and is still rising.

Even though police and federal drug agents have been trying to cut the cocaine trade, the spread has continued. For each pound that authorities got their hands on, another six sifted out into the marketplace. It was estimated that half of the \$25 billion dollar business passed through Miami alone.

A new and deadly disease called AIDS (Acquired Immune Deficiency Syndrome) struck 1,300 Americans during the past two years. It was first called the "Gay Plague" since homosexual men accounted for 72% of the reported cases. However more recently AIDS seems to be moving into the population at large. Those that have been afflicted include intravenous drug users of both sexes, Haitian immigrants, sex partners and children of both groups, recipients of blood transfusions and those that fall into no apparent category. Medical researchers don't know what causes the disease, how to treat it or if it will attack the whole country.

History may have been altered when a supposed sixty volume diary of Adolf Hitler's was discovered in Europe. The diaries revealed Hitler's warplans, his hatred towards the Jews and his feelings for Joseph Stalin, SS Leader Heinrich Himmler and Mistress Eva Braun.

Historians that studied the diaries found Hitler's thought shallow, his writing clumsy, his self-

understanding negligible and, overall, strangely flat. It was later determined that the diaries were fakes because of the paper they were written on.

Medical history was made this past year when an artificial heart was placed in a human. At the University of Utah Medical Center, Barney Clark, 62, was given a new heart. The artificial heart was invented by Dr. Robert Jarvik, 36. He and many other colleagues had been revising and improving a heart invented by Dr. William Kolff in 1957 which allowed a dog to live for 1½ hours.

The artificial heart is powered by air which is compressed by an external pump. The total weight of the heart and its equipment is 375 pounds. The heart itself costs \$9,050 plus \$7,040 for the other equipment.

Barney Clark lived with his artificial heart for 112 days. Clark died on March 30 from "circulatory collapse"; however his heart was working up to the last minute and was turned off by his wife and doctor.

The defense budget and arms control were two main topics of discussion during the past year. Reagan had to try to sell his defense budget of \$274 billion for 1984 to Congress in early April. Reagan has proposed a five year military spending plan costing about 2 trillion dollars. He feels that the Soviet Union needs to realize that the West will still be a competitor if the proposals for arms reduction fail. Later in the month, however, the Budget Committee decided by a 17-4 majority to increase the budget only 5% which was a real setback for Reagan.

Spring Sports

The Golf Team, under the direction of Joseph Ferrara and Co-captains Grant Chamberlain and Paul McBride, finished the year with a respectable season. Overall their record was 18-22. In the Suburban Conference the squad placed eleventh of sixteen teams.

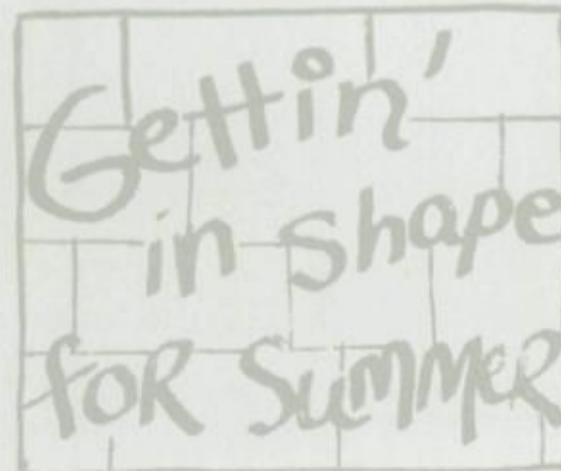

Individuals Joe and Jay Pink demonstrated fine performances by finishing eighth and nineteenth in medalist standing, respectively.

Ferrara was pleased with the fine turnout this year, especially with the number of freshmen and girls. Unfortunately Shorewood missed qualifying for State by only a few strokes.

The Boys' Track Team's season began slowly; however individuals improved readily and became more successful as the season continued. This year's team was coached by Ken Warren and led by Captain Tom Clark.

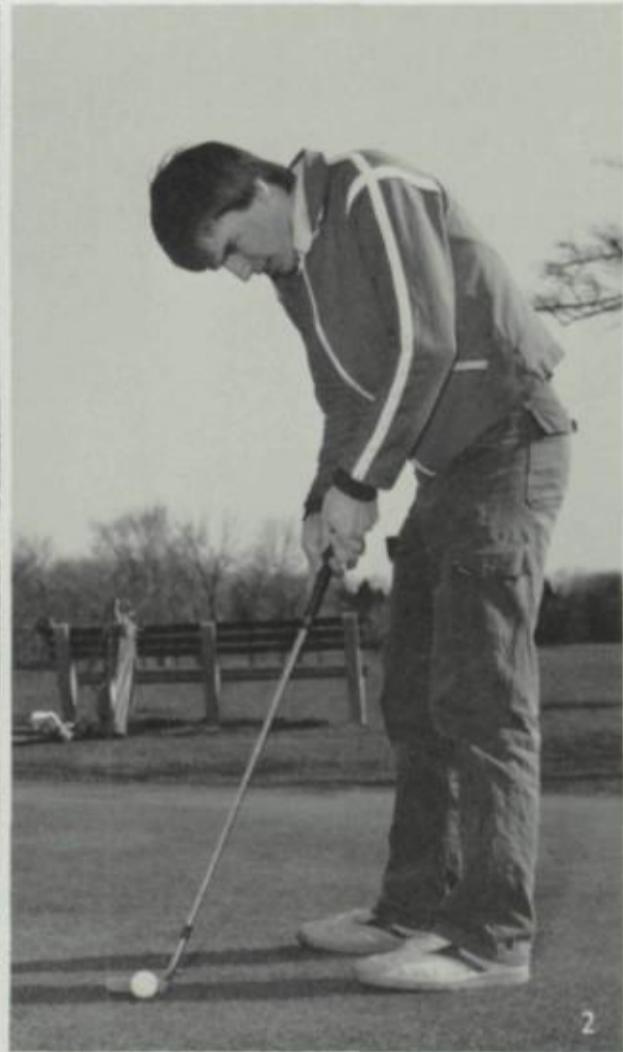

At the Milwaukee Indoor Invitational the team finished in sixth place with thirty-five points. Highlights included a first place finish in the mile run by Matt Crysdale along with a second in the 880 run. In the Suburban Indoor Finals Crysdale placed fourth in the mile event. At the Suburban Out-

door Finals Tom Clark finished sixth in the 300 low hurdles which was a personal best for Clark. In Regionals Crysdale took first place in the 1600 and second in the 800 run. Both Clark and Xav LePlae finished second in the 300 low hurdles and the 3200, respectively. Clark, Crysdale and LePlae each finished second in the 300 low hurdles and the 3200, respectively. first place in both the 100 and 200 meter dashes. At Sectionals both girls qualified for State.

The 1983 Girls' Varsity Soccer Team had a very successful season finishing with an overall record of 12-6. This was not only the girls first year under WIAA but also under the instruction of a new coach, Carol DeLaune. The team's biggest win of the regular season was against Waukesha South. The greyhounds pounded the blackhawks 12-0.

This year's leading scorer was Erika Triechel who scored a total of 39 goals throughout the season. In post-season play the greyhounds beat Rivrside in their first match but then fell to Bay.

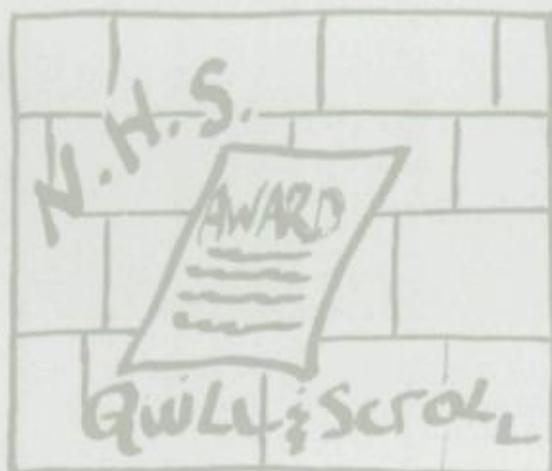

Under the direction of Cheri Strother and Mitch Ost the Boys' Tennis Team had a very successful season. In the Suburban Conference they tied for second place with Whitefish Bay. At the Suburban Tournament the boys once again placed second. Jordan Aranda and Jim Heller were winners in their divisions, third and fourth singles respectively. Unfortunately only the doubles team of Jeff and Jordan Aranda qualified for the State Meet. Yet Shorewood still looked tough with the Arandas taking third place.

Spring Activities

On May 13, 14, 20, 21, and 26 the spring musical, *Barnum*, was presented at Shorewood High School. The Shorewood Drama Department was the second fine arts institution to perform *Barnum* since it first opened on Broadway in 1979. Barbara Gensler directed this extravagant production which took five weeks to bring to the stage. The circus-oriented musical depicts P.T. Barnum's endeavors throughout his show business career during the 19th century. Tom Hammond played the leading role of P.T. Barnum with Ann Penkalski as Chairy Barnum and Louis Gerhardstein as the Ringmaster. A cast of thirty people participated in this elaborate show with such sights as a tight rope walker, two fifty-foot tent poles, a burst of flame and an enormous elephant were only a glimpse of what was to be seen at this visual show. Craig Kienzle once again took on the challenging job of choreography.

After two performances of *Barnum* the lead Tom Hammond fell ill with tracheo bronchitis. He did not recuperate enough to perform in two shows without the risk of permanent damage to his vocal

The couples paraded around the arena several times, and then the court entered. The Junior Prom Queen was Lesley Keirn, escorted by John Volpe. The Court consisted of Coco Jones and Chris Wolff, Katie Jones and Geoff Reehl, Danette Blitz and Chris Aveni, Kim Terrien and Mike Taylor, and Danyel Wofford and Doug Glass.

After Prom the evening was not over. Couples went to Post Prom at Pandai's in Bayside for dinner and dancing. The popular X-Cleavers set the beat for the evening.

Graduation

After four long years, a special day arrived for the Class of '83. Preceding this memorable night was Class Day on May 27. Seniors ruled the halls while wearing their red caps and gowns. This was also the day of the assembly which was a super success. Senior Superlatives and the Senior Wills were both read by President Devin Miller and Vice-President Susie Ploetz. A song specially written for the class was sung by Chris Miller and Beth Messner. The most talked about feature of the assembly was the skit written by David Skinner. This skit included a dance number consisting of nearly twenty guys who flexed their muscles to the beat of the song "Greased Lightening".

The school year of 1982-83 was brought to a close on the night of Thursday June 9. The commencement exercises began at eight o'clock in the evening when the students marched into the auditorium in the single file. The audience then joined the students in singing "America the Beautiful." The audience was then welcomed by Class President Devin Miller. Other speakers from the class were Steve Fischer and Susie Ploetz. Jeff

Smurf!

Well John - it's been a good year. Thank God 'cause I don't know when we'll get another one together. I'm glad we got to be friends-hah! My senior year, Well, better late than never-hey? I wish you much success in your senior year John, and I know you'll be successful. In life you will be too, unless you keep taking people to Poppin' Fresh on your credit card. You shouldn't let yourself get taken advantage of like that (hee! hee!) - Just kidding :) Doing the show with you and teaching you to juggle was great, I'll never forget it - I'll never forget your laugh either - especially your spaz & Al Caldrone's. Take care of yourself. (As Gensler would say "don't wear too much make-up"!) + SMILE!

GOD BLESS

Much love,

Ana Bencalski

Dear John
Ooh, what the purple ink!
Please have a fine summer, whatever
you may decide to do. You're a bum
even though you insist upon stealing my
nats. I know I'll see you around.
Until then,
~~take care~~ Beegjones

LONG LIVE BARNUM!! LOVE
HOLSTEIN

Dear John
Queefle Inn! After seeing you in Barnum wearing those cute little tights we definitely have to have Alex and Benny Hora's (we can even invite Mrs Norton to chaperone!) Too bad ~~I~~ got caught taking the signs because we were never able to do a laun together. We have to go back to El Condor so we can scream at the waiter again, then out dancing so I can sweat up a storm (parce que c'est groovy!). I'll miss you next year, and you had better write me or I'll be mad (oh no, scary!) You're a great guy to be with + I wont forget the good times. Stay the way you are and don't worry about what other people think.

P.S. - xxooo

P.P.S. - tails rule forever!

John, John, John,
What would this year be like
without "the greatest show on earth"
better known as "Barnum"!! That show
was one hell of a great time. I'm
really going to miss it!!
"Bon Courage" in the years to
come. If you're ever in Madison
next year be sure to give
me a call.

Love &
Friendship,
Linda Christon

John, I'm really glad we
were in classes
together. Especially Adv.
algebra - you made it
really fun. I can't
believe we're going to
be seniors next year,
a breath. You're real
nice, brother Pest.

Love,
Karen
Have a
good summer :)

You know STURT?
You are a very fun
person. I am very glad
you came at our snow
breakfast so that I got to
see you around!

John
Barnum was
really fun. I'm
really glad I got
to know you. Have
a great summer
and keep laughing.

DEAR JOHN,
you are a beautiful
human being in every what to say? There is too
sense of the word. I much! Basically, I'M REALLY
WISH YOU the best!

Take care.

Snuffy!!!

We have had
some excellent times
this year! Jesus

I don't even know
you last year (that I think
well anyway!!)

I'm sorry but
every time I
think about
Turnabout I
laugh hysterically
as close as we are!
LES MAINS!

Too bad things
don't work out w/ just the way you are,
you & sue but
then's the breaks!!

Next year will be sooo

fun. Showcase, the musical!

(maybe next year I'll make it!) We're
definitely getting
together this
summer. ~~perday~~ ^{perday} bastards, and don't waste

Dearest John, (Snuffy)
(I gave you that name)

glad I got to know you this year!
WE MADE a lot of good memories
together! Always remember;
Turnabout, AT Random,
Elsa's parking lot, eating
choco/chip cookies, eating lunch
at the front table, Showcase,
econ. Theory, all the bars we
tried to get into!, fa playa,
zaks, etc... I wish I could
think of more. I thank
you for helping me out when
I was confused about "things"
and caring about me!

Really, Rose we can continue
our good friendship and stay

not much more to say but

keep smiling and stay

w/ just the way you are,

Love always,
Jesus

P.S. my advice is don't ever
become a chain smoker,
don't drink to many sufferring
bastards, and don't waste
away eating choc/chip cookies
in front of M-TV!!

John-

I really liked having you
in 1st-5th hours, even though
I didn't plan it! I glad
it happened and it
been great having
you for a friend! This
summer should really
be great! working
down there isn't all
that bad; in fact it's
really fun. Don't you
dare go to N.Y. we
need you down there!

Love,
Glenday

P.S. We are going to
have a great
summer!! I am
really looking
forward to it.

Dear:
J'aime que j'apprécie le
peu que tu t'es fait "esprit"
(ton sens d'humeur)! Tu as un
très bon caractère, et même si tu n'
as pas manipuler, c'est peu
de certaines situations, tu es
devenu une partie
irremplaçable de
notre classe.

Bonnes vacances
Madame Clancy

John-
We had some really fun
times this year. Hope we have
many more! You're a really
fun person and I'd love to
party with you. I'll definitely
see you this summer. Call
me (964-3862).

Love, Julie

John,

You are a very sweet and friendly
person. You have a great sense of humor
and are fun to be around. Also, I must
add that your fantastic in drama and
theatre. keep it up and be happy always.
Keep smiling and you'll be happy and successful.
See you this summer.

Dear John,
It's been a nifty year in the reason you're old econ
and I have a lot of the same reasons. We get together this
summer and party person you. Let's play tennis, plan a
little drama and paint. Tell me now much this passes off Sarah-Steve.
I'm not your Li-moon at all. I'm a nervous wreck! French
and English courses lost you! From
